COMMUNITY CHEST CAMPAIGN GOAL IS EXCEEDED

PERE MARQUETTE ACQUISITION TO BE PERMITTED

But Commission Declines To O. K. Plans for Erie In New System

CONSOLIDATION IS ONLY PARTIAL

Board Cites Three Roads For Violation In W. & L. E. Stock Deal

Washington, May 19.—Railroad consolidations were further complicated today by two significant actions of the Interstate Commerce Commission.

Vast sums are involved in each.

The first was in partially approving the Van Sweringen billion dollar railroad unification plan, whereby the Chesapeake & Ohio, controlled by the Cleveland financiers, will acquire stock control of the Pere Marquette, but will not be permitted to link up the Erie with the proposed system.

The other was the citation of the New York Central, Baltimore & Ohio and Nickel Plate, another Van Sweringen road, for violating the Clayton anti-trust law in gaining control of the Wheeling & Lake Erie.

The railroads were ordered to appear before the commission on June 25 and show cause why they should not be required to divest themselves of all interest, direct and indirect, in the capital stock of the Wheeling.

Aids Coal Traffic

Paramount among the reasons advanced by the Van Sweringens for securing control of the Erie and Pere Marquette was the necessity for transporting the Cheaspeake & Ohio's coal traffic more directly and efficiently by single line hauls and co-ordinated train service, particularly to Chicago, Detroit and Southern Michigan The Erie's function under the plan was to be principally to provide a low-grade high-capacity line between Marion, O., and Chicago, for the movement of coal to Chicago and beyond.

The commission said that no specific objection "from a transportation standpoint" had been presented with respect to the proposed control of the Pere Marquette.

"Such control would in effect extend the applicant's territory in a northerly direction, embracing a large part of Michigan, where a considerable amount of Chesapeake & Ohio coal is consumed, and would afford it a direct route to the lake ferries making connections with Northwestern systems," the decision said.

"There would be created an enlargement of the extensions already accomplished by the applicant's control of the Hocking Valley. Regarded as single system, the Chesapeake & Ohio, Hocking Valley and Pere

CITY PURCHASES LA FRANCE TRUCK

Bid of $13,000 Accepted By Board of Control; Delivery soon

The contract for the purchase of the city's new triple combination 1,000 gallon capacity pumper fire truck was awarded to the American La France & Foamite Industries, Inc., of Elmira, N. Y., Friday afternoon. The contract was awarded by the board of control consisting of Mayor Phil G. Hiddleson, Service Director C. A. Cavanaugh and Safety Director Rex W. Ruggy.

Two bids were received by the officials, the other coming from the Seagrave Corporation, Columbus. Both bids were for $13,000.

The board decided unanimously in favor of the La France truck and negotiations for its delivery will be concluded immediately.

The bids specified that the apparatus should be delivered within 25 working days after the acceptance of the contract. Permission was given the La France representative to exhibit the new aparatus at the fire chief's convention at Marion June 5, 6 and 7 at which Fire Chief Vincent Malloy will be present.

The pumper will replace the Robinson pumper which will be sold next month.

Mayor and Wife Are Slain By Attackers

Mexico City, May 19.—Thirty rebels besieged the town of Santa Marie Del Arriba, in the state of Jalisco, and sacked the town, killing the mayor and his wife when the ammunition of the troops of the defending garrison gave out, reports from Guadalajara stated today.

ANDOVER THRONG GIVES COOLIDGE GREAT WELCOME

President Speaks Today At Phillips Academy Birthday Fete

Andover, Mass., May 19.—Cheered by thousands, and with a national guard battery of field artillery firing a presidential salute of 21 guns, President and Mrs. Coolidge arrived here today for the 150th anniversary of Phillips academy.

Their special train from Washington pulled in at 9 a. m., 10 minutes ahead of schedule.

Greeted by a distinguished reception committee, the president was escorted through lanes of cheering persons and through flag draped streets to the home of Headmaster Alfred E. Stearns of the academy on Chapel avenue. There donning the cap and gown of old Andover, the president marched through two lanes of undergraduates to the academy gates and thence to the steps of Samuel Phillips hall to deliver his address.

After the address and the presentation of medals of gold, the president and his party will leave for the bedside of Mrs. Coolidge's mother at Northampton.

Distinguished Gathering

Mounted state troopers were on hand during the presidents progress through the street of this beautiful New England college town. The weather was clearing after the night of rain.

With the Weymouth post, Amer-

FAIR WEATHER FIRST HALF OF WEEK FORECAST

Chicago, May 19.—Weather outlook for the period of May 21 to 26:

For the region of the Great Lakes: Generally fair till about middle of week, followed by showers; no extremes of heat or cold likely.

Ohio Valley: Mostly fair until Thursday or Friday when showers are probable. Temperature normal or slightly below the first half of the week and somewhat above normal the latter half. Cooler about Saturday.

D. T. & I. Value Set

Washington, May 19.—The Interstate Commerce commission today placed a final valuation of $11,931,000, as of June 30, 1918, on the Detroit, Toledo and Ironton railroad, owned by Henry Ford. A valuation of $392,500 was fixed on the Toledo-Detroit, leased by Ford.

28 Schools In District Meet Today; Salem Places Well In Preliminaries

Athletes from 28 Class "A" and "B" High schools from Northeastern Ohio gathered at Reilly stadium this morning for the preliminaries of the district track and field meet.

Fully 200 athletes competed in the morning events. At least 300 were to take part in this afternoon's activities.

It was an ideal day for a field meet. Threatening clouds hovered over the field for a time this morning but sooned passed on.

Salem failed to place many boys for the finals this afternoon, only five in the prelims being held. The team qualified men in the pole vault discus, and 120 yard high hurdles.

Preliminaries in the 100 dash were run at noon and high jump was on at press time. All indications were that Salem would be represented in both during the afternoon.

Arnold Seeds, flashy Salem runner, defeated Freddie Evereth, Youngstown South star, in his heat of the 100.

Lowell Allen and Ralph Gregg, Salem's hopes in the high jump, were still in at 5 feet, 5 inches.

In the 100 yard dash preliminaries, Lowell Allen, Salem all-round star was eliminated, finishing fourth in his heat.

Allen and Keith Roessler both qualified easily in the pole vault and will be attempting a new district record this afternoon.

Van Blaricom, Salem, qualified in the discus. Herman Litty had the best time of all starters in the high hurdles, 17.4 seconds, and may win Salem an unexpected first place.

The meet started slowly, but after getting under way were continued through slightly after the scheduled time order. Approximately 400 people attended the preliminaries. Several thousand were expected this afternoon.

Qualifiers In Finals

Those who qualified for the finals were:

Class A

120 Yard High Hurdles—Morgan Akron East; Winkleman, Akron South; Mueller, Alliance; Litty, Salem; Tomlin, Youngstown South; Thompson, Akron East.

220 Yard Dash—Key and Morgan, Akron East; Schwartz, Alliance; McGhee, Akron North; Campbell and Barbour, Canton McKinley; Graham and Derr Warren; Evereth, Youngstown South; Hoffman Akron South; Alston, Wellsville; Hay, Ravenna.

Pole Vault—Allen and Roessler, Salem; Oris, Youngstown East; Curtis, Alliance; Hummell, Canton McKinley; Hedderly and Brundage, Akron South.

Discus Throw—Van Blaricom, Salem; Burke, Akron South; Putt, Akron Central; Goss, Canton McKinley; Spuhler, Akron North; Kirkham, East Liverpool; Daly, Alliance.

Shot Put — Rometta, Ravenna; Walker, Akron East; Mauger, Massillon; Snowden, Wellsville; Nasman, Youngstown South; Smith, East Liverpool; Dicken, Alliance; Daly, Alliance.

Class B

Shot Put—Mollenkopf, East Palestine; Cook, Cortland; Moore, East Palestine; Battle Louisville; Demi, Lowellville; Gaughn, Leetonia; Yose, Cortland; Pinuger, Uniontown.

Discus—Yose, Cortland; Kendell, Louisville; Moore, East Palestine; Demi, Lowellville; Beltempo, Leetonia; Rogers, Sebring; Battle, Louisville.

High Jump—Weckbacher, Cortland; Arter, Lisbon; Fleming, Boardman; Clarke, Sebring; Curry, East Palestine; Gaughn, Leetonia; Brothers, Kent State; Demi, Louisville

Pole Vault—Foltz, Cortland; Meek Cortland; Clarke, Lisbon; Hunstan, East Palestine; Wertz, East Palestine; Krause, Beard, North Lima, Gaughn, Leetonia

Owner of Favorite In Derby Today

Mrs. John D. Hertz of Chicago, is the owner of Reigh Count, favorite to win the Kentucky Derby at Louisville today.

SMITH LEADING REED AND WALSH IN OREGON RACE

Piling Up Substantial Margin As Tabulation Is Half Finished

Portland, Ore., May 19.—Gov. Al Smith of New York was leading by a substantial margin over his nearest opponent in the returns today from the Democratic presidential primary election in Oregon yesterday.

As tabulation proceeded, indications were that Smith had scored a decisive victory over the other three candidates in the Democratic field, Senator Thomas J. Walsh of Montana, Senator James A. Reed of Missouri and Alonzo Workman of Missouri.

With returns complete from 533 of the 1,738 precincts throughout the state, the Democratic vote stood:

Smith, 1,515; Walsh, 975; Reed, 556; Workman, 147.

Standing unopposed on the Republican slate, Oregon's 13 delegates to the national convention at Kansas City are practically assured to Secretary of Commerce Herbert Hoover.

The reporting precincts early today gave Hoover a total "confidence" vote that reached nearly 25,000.

The surprise of the Democratic contest was the lead which Senator Walsh held in the early returns over Senator Reed.

Although Walsh had withdrawn from the presidential race in Oregon, the withdrawal was not official and his name appeared on the Democratic ballot in yesterday's voting.

Offer Brushes For Painting Air Sign

A letter has been received by Mayor Phil Hiddleson from the Wooster Brush company, which has offered to supply free of charge a set of professional brushes of the proper type together with instructions for their use and the government regulations for the painting of the names of cities for the use of aviators, to the first 100 Ohio cities requesting them.

Plans are being made to paint the name Salem in large letters on the Mullins press room. A Cleveland paint manufacturer has been asked to supply the paint and a Cleveland sign painter has offered to do the work.

Herr Deutsch Dead

Berlin, May 19. —Herr Felix Deutsch, president of the General Electric company of Germany (Aeg) and a brother-in-law of Otto H. Kahn, the American banker, died today after an attack of apoplexy.

TEAM WORKERS ARE COMMENDED AS DRIVE ENDS

Several Hundred Dollars More Than Amount Set Secured by Teams

AUCTION OF AUTO BRINGS $210 MORE

Shop Team Total Breaks Record by $1,000; Talks Given Last Night

Salem's Community Chest campaign came to a successful close Friday night.

After two days of campaigning, team workers submitted their final reports at a meeting at the Memorial building. These reports showed that the goal had been exceeded by several hundred dollars.

The goal had been set at $24,200, the amount needed to maintain seven welfare institutions for another year. These organizations are the Red Cross, City hospital, Memorial building, Salvation Army, Boy Scouts, Home for Aged Women and Quaker City band.

The first day's total was $11,424.55 less than half of the quota. Friday night the eight general teams had brought this total up to $23,300.55 and the campaign went over the top after the executive committee reported some extra donations, together with several hundred dollars raised by the sale of an automobile.

Car Auction Brings $210

The car had been donated by E H. Althouse of Judge Boone's team and was won by H. H. Sharp, of the same team. The latter donated the car for auction and L. P. Metzger, chairman of the executive committee, sold it for $210. C C. Gibson and F. R. Pow being joint purchasers.

The shop team, captained by W. F. Bolen, reported a total of $5,012 for the two days, which was distributed among the other eight teams, as was the amount raised by the executive committee.

Team reports for the two days follow:

Team, No. 1, C. S. Carr captain, $3,097.25; No. 2, Judge J. C. Boone captain, $3,736; No. 3, R. M. Atchison captain, $2,820.80; No. 4, E. F. Hauser captain, $2,771; No. 5, R. S. McCulloch captain, $2,807.50; No. 6, Miss Martha Wire captain, $3,047.30; No. 7, Mrs. Joe M. Kelley captain, $2,693; No. 8, Mrs. J. E. Maley captain, $2,328.

Commends Team Workers

John S. Alan, general chairman of the campaign, commended the teams for their fine work and declared that the success of the campaign was due entirely to the efforts and co-operation of the workers. He gave special credit to the shop team, which passed the record established last year by more than $1,000.

After the dinner, Arnold P. Lutes

$10,000 LOSS IN FIRE AT DAIRY

Livestock Die In Blaze Friday Night On Farm Near Columbiana

Fire of unknown origin, about 8:30 p. m. Friday, destroyed a large barn; dairy equipment; a shed and a garage at the Grim brothers dairy farm on the Fairfield rd, two miles south of Columbiana.

Four horses, two cows and six calves were burned in the barn.

Mrs. Glen Grim was at home alone at the time and noticed the flames from the window. She reported the fire to the Columbiana fire department and then went to the barn and started to take the cattle out.

The flames had gained considerable headway by the time the fire department arrived and it was handicapped by the lack of a place to attach its hose, Chemicals were used by the department to protect other buildings.

This dairy has a herd of 40 cows. The loss is estimated at $10,000 and is partially covered by insurance.

Firemen at Dance When Alarm Sounds Under Suspension

Toledo, Ohio, May 19.—Five firemen attached to No. 3 engine house were under suspension here today for alleged absence from their posts Thursday night when a fire call registered at the station.

The suspensions were meted out last night by Safety Director John R. Cowell who stated his action was based on recommendation of Fire Chief Fred J. Myers.

The men were charged with having left the station to visit a dance in the neighborhood and of not being on hand when the fire call came in.

CHANG REFUSES TO AVOID CLASH WITH INVADERS

Marshal Tells Japanese He Will Stick To His Guns at Peking

London, May 19.—Marshal Chang Tso Lin, dictator of the Peking government and generalissimo of the North China armies, has rejected the suggestion of Japan that he retire into Manchuria and avoid a decisive battle with the Southerners (Nationalists), said an Exchange Telegraph dispatch from Tokio this afternoon.

Japan pointed out the possibility of foreign lives and properties becoming endangered if Marshal Chang should stake his fortunes upon a decisive conflict with the Nationalist army which is invading the Peking area.

Marshal Chang was quoted as replying to Japan that he was determined to fight.

Since the decisive defeat of the Northern army in the Shantung Peninsula it has been falling back upon Peking in a badly demoralized condition. There have been thousands of desertions.

The advance guard of the Nationalists is reported almost at the gates of Peking.

Like U S. In Nicaragua

Advices from Shanghai said that the communication from Japan warning the Nationalists not to at-

OPEN BIDS FOR ROAD IN COUNTY

Columbus, May 19.—Bids received by the State Highway department as announced today are:

Columbiana county: State route No. 7, Youngstown-East Liverpool road paving, brick, the Columbus Asphalt Paving company of Akron, $77,772; concrete, George Mellert Weidner company, of Medina, $66,270.

ESTIMATE HOOVER SPENT $100,000 ON ADS IN INDIANA

This Will Result In Extensive Probe Of All Publicity Expenditures; Brown Says Ohio Campaign Cost $37,759

Washington, May 19. — An estimate that Herbert Hoover's friends spent $100,000 on newspaper advertising in his losing fight for Indiana's delegation to the Republican National convention will result in the senate presidential campaign committee making an extensive inquiry into publicity expenditure by all candidates for president, it was announced today.

The estimate of Hoover's publicity costs in Indiana was made by Bert M. Thurman, manager for Senator James E. Watson, who defeated the secretary of commerce. Thurman estimated the Hoover advertising at $100,000 on the basis of his experience as a newspaper editor and the costs of Watson's advertising. Thurman said he published two ads for Watson and got a bill for $1,000. He added that Hoover advertisements appeared in nearly all of Indiana's 300 newspapers.

Probe Carolina Charges

Thurman incidentally reported that Watson's expenditures in Indiana were $32,671. The Hoover expenditures already reported were approximately $40,000. The committee also was informed that the Hoover expenditures in Ohio totalled $37,759.

The committee adjourned its hearings until Monday, when it will convene at Raleigh, N. C., to hear testimony about charges that the Hoover and Governor Al Smith camps have made excessive expenditures in the Tar-Heel state.

Walter Murphy, of Saulsburg, N. C., already has told the committee that Senator James E. Reed spent less than $500 in seeking North Carolina's endorsement for the Democratic nomination.

The committee will resume its hearings here next Tuesday.

Brown Explains Costs

The Hoover organization spent $37,759.55 in its Ohio fight, Thad Brown, state manager for Hoover, testified yesterday before the senate campaign funds committee.

Brown said the Hoover campaign was to have cost only $25,000, but the death of Senator Willis caused greater expenditures.

"After the death of Senator Willis," he said, "we found a different fight racing us. We found clubs were springing up in several congressional districts seeking to name Vice-President Dawes as the next president. I told the leaders then that we would probably have to run above $25,000 to counteract the Dawes movement."

Brown named Joseph R. Nutt, Cleveland banker, as the treasurer in Ohio. He said Nutt supervised the raising of all the Hoover funds.

BOUT PUT OFF; DATE NOT SET

Weather Spoils McLarnin-Mandell Scrap Tonight At Polo Grounds

New York, May 19. — The lightweight championship battle between Sammy Mandell, the Rockford, Ill., "sheik," and "baby-faced" Jimmy McLarnin of the Pacific coast, which was scheduled for tonight, was postponed at noon today by Tex Rickard, promoter, because of unpromising weather conditions. It was the third postponement in as many days.

Rickard was unable to set immediately a new date for the fight because Monday night, and other dates in the near future, conflict with fight shows billed by other local clubs. Rickard was endeavoring to placate other promoters so that he could announce another date acceptable to the New York State Boxing commission.

Failing in this Rickard would have available next Thursday night—the regular night assigned to the Madison Square Garden corporation.

FREIGHTER AND LINER IN CRASH

New York, May 19.—Looming out of the veil of fog too late to avoid a collision, the steamer Pennland, Red Star line, crashed head-on today with the freighter Anniston City, Norton-Lilly line, off Sandy Hook.

Both vessels were badly damaged in the collision, according to wireless reports received at the barge office and naval station. The captain of the Anniston City reported that his boat is taking water rapidly but no immediate assistance was needed. The Pennland carries 400 passengers and crew.

BUY THOSE DELICIOUS NEW SYSTEM PIES, CAKES, ROLLS, ETC., AT THE HY-GRADE, 140 MAIN ST. SUNDAY. 119h

GOVERNMENT TO PERMIT ROUND CORNER AT P. O.

Permission has been granted by the government to round the corner at the Salem postoffice.

Corners on most of the main streets have already been cut off but work on the corner of Garfield and Main had to be delayed until permission had been obtained from the government.

HERESY CHARGES AGAINST BISHOP

Rev. Cooke Brings Case Before Methodists At Kansas City

Kansas City, May 19—Hersey charges against Bishop William F. McDowell of the Washington, D. C., area and Bishop Francis J. McConnell of Pittsburgh, Pa., were brought before the Methodist Episcopal general conference here today by the Rev. George A. Cooke, a retired minister fo Wilmington, Del.

The Reverend Cooke, who is not a delegate or in active church service, presented his charges to R. J. Wade, secretary of the conference and based them on "teaching of false doctrine." He referred to two books, one "that I may save some" by Bishop McDowell and "religious certainty" by Bishop McConnell.

Secretary Wade referred the charges to the committee on judiciary and a report is expected some time next week.

Reverend Cooke recently brought charges of immorality against Bishop McConnell which were dropped on the floor of the general conference. The minister has sought to present the charges he preferred today in two previous general conferences.

A HOME TALENT PLAY "THE DUTCH DETECTIVE" WILL BE GIVEN AT WILLOW GROVE GRANGE BY THE MEMBERS AT 8:00 P. M. MAY 23. SPECIAL MUSIC. ADMISSION 15c AND 25c. 119h

Mine Population In Eastern Ohio Is 60 Per Cent This Year

Columbus, May 19.—Population in the eastern Ohio coal fields has decreased about 40 per cent since the beginning of the Ohio coal strike, according to Marshal Stanley Borthwick here today.

Marshal Borthwick estimated that there were about 19,000 miners in the eastern Ohio field last March 31, the date that marked the inauguration of the strike. Now, the marshal said, there are about 10,000 miners in the field.

Most of the men that left the coal fields are said to have gone to larger cities where they are working as laborers and trainmen.

MAN IDENTIFIED IN KIDNAP CASE HELD BY POLICE

Neighbor Says He Drove Auto In Which Girl Was Seen Monday

Canton, May 19.—Roads leading from this city toward Steubenville and Dover were being guarded by city and county officers today and authorities of nearby towns were notified to watch for an old Ford automobile said to carry both Pennsylvania and Ohio licenses, and occupied by a girl and a man answering the general description of Beatrice Rosenbaum, the missing Youngstown girl and a suspect in her kidnaping.

Youngstown, O., May 19.—Three new suspects were held by police here today in connection with the disappearance of Beatrice Rosenbaum, 10, from her home here May 14. They were arrested last night by detectives.

One of these men, according to officers, was identified by Mrs. W. C. Vangorder, a neighbor of the Rosenbaums, as the man she saw in the automobile Monday morning driving away from the Rosenbaum residence with Beatrice.

Ralph Maturo, 19, who also saw Beatrice in the car will be asked to try and identify this man.

Meanwhile search continues for the missing child.

Four Casualties As Nicaraguans Clash

Puerto Cabezas, Nicaragua, May 19.—A combined force of United States marines and national (native) guardsmen, that clashed with a rebel band at Paso Real, suffered four casualties, according to information received today by Major Otley.

Capt. R. S. Hunter, of the U. S. Marine corps, who commanded the combined force, was critically wounded. He is reported to have died later, according to information received here today.

LINDY'S FLIGHT WAS YEAR AGO TOMORROW

New York, May 19.—On a rather drab, misty morning in May a year ago tomorrow the usual calm of Roosevelt field was broken when word spread that "Lindy's going!"

"Lindy" was that tall, slim, hatless youth with the tousled hair who had zoomed into the flying field in his silvery-hued monoplane, "Spirit of St. Louis," from the west and quietly announced that he would attempt a non-stop flight to Paris. His plane looked good. It had crossed the country in two jumps. But it had only one motor.

Commander Byrd's tri-motored plane was being groomed for a trans Atlantic flight at the time.

The westerner wasn't racing anybody. He was going when the weather was O. K.

"It doesn't look bad—I guess we'll go," he remarked.

By "we" he meant himself and his plane.

The mechanics were emptying five gallon cans of gasoline into the plane. Workers hurried back and forth, there was a whir of excitement about the hangars.

He stuck his long legs into his flying suit and climbed into his plane. Byrd, Chamberlin, Fokker and others, wished him luck.

At 7:52 the pilot stuck his head out the window. "O. K.—we'll go." he said.

The motor roared. The plane lurched with its heavy load, then started forward. The young man at the controls gave a stiff military salute.

"We" were off!

BUSINESS COLLEGE TO GRADUATE 56 JUNE 1

Rev. Arthur M. Clarke, pastor of the First Baptist church, will give the class address at the annual commencement exercises of the Salem Business college at 8 p. m. Friday, June 1, at the Methodist church.

Fifty-six students will receive their diplomas at this time, the presentations of these to be made by W. H. Matthews.

The program includes these numbers: Processional, LaVonne Simpson; invocation, Rev. Charles Haworth; solo, Lucille Baker; address, Rev. Mr. Clarke; selection by a quartet composed of Irene Flugan, Ersol Halverstadt, Lucille Hack, Ethel Weikart; song, "America the Beautiful;" benediction, Rev. G. D. Keister; postlude, Miss Simpson.

The names of the graduates are: Elma Auld, Eula Bonsall, Elsie Bogar, Wayne Brown, Mary Bodo, Margaret Bolivar, Margaret Crosser, Mildred Cobourn.

Anna Lois Coffee, Emma Dalrymple, Wilma DeJane, Helen Dressel, C. A. Ellet, Mildred E. Franke, Lois Fronk.

Irene Flugan, Verda Flugan, Gladys Grise, Lucille Hack, Ersol Halverstadt, Mrs. Ruth Hanna, Marie Harbaugh, Freda Headley.

Mary Hively, Florence Iler, Betty Jones, Jeanette Kelly, Edna Kenreigh, Helen Koches, Mrs. Lucile Louden.

Anna Lower, Mrs. J. A. McFeely, Ruth Moore, Virginia Marshall, Ella Mary Mason, William Miskimins, Clara Patten, Rebecca Phillis.

Lutherans Meet In Salem To Plan For Federation Rally

Representatives from Canton, North Georgetown, New Springfield, Greenford, Sebring and Salem were present at a committee meeting held Friday evening at the English Lutheran church to make arrangements for a federation meeting of the Luther Leagues between Canton and Youngstown. Miss Mirtie Ross is chairman of this committee.

Plans were made for a meeting to be held May 27 at Sebring when the members will be guests of the Sebring league. At this meeting officers will be elected and a constitution will be adopted.

Four committees were appointed at the meeting last evening. They are: Constitution, resolution, social and nominating.

After the meeting a lunch was served by the Salem league.

FILLING THE CHEST

Salem has filled its Community Chest again, and for the next twelve months seven worthy institutions are assured of sufficient support to maintain the high standard they have set in recent years. In just two days solicitors organized into teams, the executive committee and managers of the campaign have completed the task of obtaining cash and pledges exceeding the goal of $24,200. After the first day's reports revealed that less than half of the amount had been obtained, it seemed like a herculean task to reach the goal in another day, but all workers plunged into the campaign with a loyalty and love of service that would not accept defeat.

Salem has been raising money for this purpose for so many years that the great majority of its people are imbued with the idea of giving something to assist the welfare organizations, and they are prepared when the solicitors greet them at their homes or places of business. It is a matter of pride that they never have failed in any of these campaigns to give as much as was asked. Those who give should feel proud that they have done their duty to their community, while the city should feel grateful that it has enough public spirited workers to respond to the call for campaign work each year, and that so many of its citizens contribute their mite to the success of the endeavor.

Campaign Manager J. S. Alan and his executive committee especially are to be commended for their splendid work during the two days of the campaign, and every member of everyone of the nine teams deserves credit for the time and effort they devoted. Each year it is noteworthy that the men in the industrial plants respond liberally to the campaign, and this year was no exception. In fact the shopmen contributed more this year than before, giving freely in every instance.

That is the spirit which has made these campaigns so successful. There is a feeling that every welfare organization is deserving of support, and that the money collected is wisely spent. With such a feeling of confidence, the success of the campaign is assured, and each year it will be less difficult to raise the amount of money required to maintain the seven organizations.

KEEP UP YOUR SPIRIT

Don't allow your spirit to be broken. You may have had hard luck but don't admit you have been beaten.

It may be a hard struggle to hold your head up, your shoulders back and keep your face cheerful and hopeful.

But these things are necessary to carry you through the trouble zone you have entered.

You are not down and out till you admit it yourself.

When you cave—give in, then you are done.

How can you convince others that you are of value when you own to yourself that you are a failure?

You have done many things creditably in the past.

You would be able to make a good showing still, if you had the right opportunity.

Take a chance in the line where you have done your best work.

But don't make the mistake of turning down or refusing to do what comes along, because you cannot procure the kind of work you want.

You can make a good showing in any kind of a job you take up if you have the will to do so.

We are not much more than a month away from the young man who, having acquired a June bride, a car and a can-opener, is ready to face the world.—Minneapolis Journal.

As soon as the Sinclair trial was over one of the jurors hastened to obtain a marriage license. It is gratifying to know that some one connected with the case is going to serve a sentence.—Philadelphia Record.

What Others Say

WAR IF NECESSARY

The present Japanese government being of a distinctly imperialistic cast, has been compelled to drop its mask of benignity. That the Japanese people are not by any means convinced of the worthiness of the government's policy is amply indicated by the newspaper opposition to intervention in China. It is inconceivable that any enlightened nation could give anything like unanimous approval to recklessness with which the government has plunged into the Chinese whirlpool.

More than ever it now appears that Japan is likely to find herself opposed by a united China. The unification will not come from acceptance by the southerners of Chang Tso-lin's offer of an armistice. It will come, if it does come, by the absolute elimination of Chang Tso-lin as a factor in Chinese affairs. Not till Chang Tso-lin is sent scuttling to Manchuria or to some remoter refuge will Canton talk peace with Peking. Chang Tso-lin has innumerable smears on his record, but his blackest mark is his past friendliness and co-operation with the Japanese.

Rightly believing that the first work of the Nationalists is to bring about the union of China, Chiang Kai-shek and Feng Yu-hsiang seem about ready to leave Shantung and advance on Peking. But in leaving Shantung to the Japanese they are merely delaying a bloody accounting.

One need not be gifted with the wisdom of a prophet to forecast a settlement which must be disastrous to Japan. As long as the immense Chinese nation remained deaf to the call of progress it was possible for the alert and energetic Japanese to treat China as a minor state. But China is potentially much more powerful than Japan, and an awakened China is sure to call Japan to strict account for the injustice now being perpetrated. It is inconceivable that the Japanese government does not realize this danger. The only conclusion is that Tokio today is willing to commit Japanese posterity to the misery of a tremendous war with the chances strongly against ultimate triumph.

All this rather than retire from Shantung and leave the Chinese Nationalists to fight their own fight in their own way. It is the success of Nationalist China that imperialist Japan most dreads. Common sense Japan has clearer vision, but for the moment common sense in Nippon is under official ban.—Cleveland Plain Dealer.

HER NATURAL FIELD

It is no disparagement of Judge Florence Allen, of the Ohio supreme court, to say that she is more convincing in some of her diagnoses in the ethical-social field than she is in the arena of law and politics.

After all, the laws of nature are subject to neither amendment nor repeal; nor do inherent mortal emotions change perceptibly through the centuries. Man is man, and woman is woman.

Francis Parkinson Keyes has interviewed Judge Allen, the article appearing in the June number of Better Homes and Gardens. The part of this interview which intrigued the writer was Judge Allen's definition of the home. She said:

"The home is primarily the place where a family is gathered together in unity and co-operation and affection, a place of melody and harmony, both figuratively and literally. It is secondarily a place where a weary mind and spirit and body may find repose and refuge and respite, where the soul may commune with itself, and with God."

So speaks the divinity in woman's dreams—and so in man's more dimly.

The home as it should be—as often it really is—is the one fact that justifies the continuance of the race. Neither the jungle life nor Arcadian existence is sufficient to do that. It is not the lotus eater who leads humanity. That must be done by the doer of things. And the doer of things wants a real home, fashions and cherishes it—makes of it something like the abode Judge Allen describes, where affection and God make portal and hearthstone resplendent with the flashing of angel's wings.—Cincinnati Enquirer.

(International Illustrated News)

BIG BENEFITS NOTED IN MILK DRINKING

Dr. Royal S. Copeland, M. D.
United States Senator from New York. Former Commissioner of Health, New York City

While I was commissioner of health of New York city we had quite a campaign relating to school lunches. One of the big milk concerns supplied us with all the milk we needed to carry on an extensive test of the value of this plan.

After the experiment had developed we saw hundreds of skinny, undernourished children take on weight and improve in health. You could see the difference even in the hair of these youngsters. The dead, lustreless hair would become shiny and improved in vigor.

DR. COPELAND

It is a sad fact that it is extremely difficult to educate the public to any new idea. This is particularly true of anything relating to health, especially when it involves so fundamental a thing as food. Everybody believes that he knows as much about what folks ought to eat as the best doctor in the world.

I will remember an amusing conversation I had with an uncle. We were back in Michigan soon after our first baby was born. This old uncle, nearly a hundred years old, asked whether we had given the infant any pork rind to chew on. He was greatly disgusted when he found the baby had had no pork rind, and said the youngster would never amount to anything until he did have!

About foods every person has his own ideas. He dislikes to be told they are not well founded.

If a child is through breakfast by 8 o'clock, it is too long to wait until 12:30 for another meal. Furthermore, for one reason or another, a child may not eat much for breakfast. In any event, by the time 10 o'clock arrives, a growing child is hungry. There is nothing to relieve the yearning for food better than a bottle of milk.

The fact about undernourishment is that it is not confined to the poor. The children of the rich are just as likely to have it. They need milk just as much as the poor child does.

The other day a Michigan lady wrote to ask my opinion of school lunches. I replied at once that I believe in them. In my opinion, they are very helpful to the health and welfare of the child.

It isn't a good thing for a child to go hungry. Many a cross, irritable boy is that way because he is hungry most of the time. His amiability and his health will be improved by regular eating.

It must be kept in mind that a growing child needs much more food proportionately than a grown person. Not alone must the youngster eat to restore the waste, but he must eat to build bone and muscle and tissue.

What would be too much food for an adult might not be nearly enough for the growing boy or girl. That is the reason why the school lunch is needed.

To eat at this time won't spoil the regular meal. A child's digestion is speeded up over ours. Let us give the little folks all the good, wholesome, nourishing food they need.

Answers to Health Queries

A. W. S. Q—How much should I weigh, aged 17, 5 ft. 6½ in. tall?

2—How can I gain weight?

A—You should weight about 132 pounds.

2—Eat plenty of good nourishing foods, including milk, eggs, fresh green vegetables and fruits. Exercise daily in the open air and sleep as many hours as possible. Take a good tonic, such as cod-liver oil.

M. P. Q—Can a person feel a floating kidney when it moves?

2—Will an X-ray show a floating kidney?

A—Yes, sometimes.

2—Yes.

Q—What should a boy who is 17 years old and 5 ft. 10 in. tall weigh?

2—How can I gain weight?

A—For his age and height he should weigh about 148 pounds.

2—Proper dieting and deep breathing is the secret. You should eat nourishing foods and have plenty of sleep and rest. A tonic is often beneficial. For further particulars send a self addressed, stamped envelope and repeat your question.

R. Q—What is the cause of a cataract? Is it dangerous. When can it be removed? Will it affect the other eye? What treatment is necessary?

A—The cause is uncertain. No, except that it impairs the eyesight. It can be removed when it is "ripe," which time must be determined by an eye specialist.

Twenty Years Ago

(Issue of May 19, 1908)

Preparations are now complete for the 41st annual observance of Memorial day by Trescott post No. 10, G. A. R., and its allied orders. Prof. Frank W. Lease, of the Salem High school, will give the address.

Columbus—Tag No. 1 under the new automobile law goes to Representative Thomas Paxton, of Cincinnati, who pushed the bill through the house. A number of people sought the honor of getting the first one issued by the department.

Lisbon—Richardson Arter, 60, ex-county clerk, sustained injuries in a fall here last night which may prove fatal.

A paper milk bottle has just been invented and doubtless in time will be used by the progressive dairymen of Salem and vicinity. It promises to be a great advance in the dairying industry.

New York—A big shipment of gold is being made to Germany and France. It amounts to $8,350,000. Most of it will go to Germany.

Hon. and Mrs. W. B. McCord arrived in the city Tuesday evening from Columbus, where Mr. McCord, as representative of Columbiana county, has been attending legislature.

Fall River, Mass.—The reduction in wages, which will go into effect in the print cloth mills of this city on next Monday, probably will amount to nearly 18 per cent, the heaviest cut ever made at one time here.

What promises to be a very interesting meeting of the Boosters' club will be held Friday evening when Ladies night will be observed. Miss Alice McMillan, who is deeply interested in the welfare of Salem, will speak.

Judge W. W. Hole went to Canton Wednesday morning to dispose of the injunction suit against balloon ascensions in McKinley avenue park.

The Stars Say—

For Sunday, May 20.

By GENEVIEVE KEMBLE.

Sunday's horoscope points to serious thoughts and efforts, with the mind turned to introspection and possibly to literary activities. Social matters also engage the attention but circumspection is enjoined in all directions.

Those whose birthday it is may experience a year of stubborn obstacles to be surmounted, which may make the mind and activities rather weighty and laborious. Diversion may be found in social or domestic activities, but discretion in enjoined, as treachery is hinted at. A child born on this day should be talented, studious, inclined to research and thought along original lines, but may have to work hard for its subsistence.

Goodness is the only investment that never fails.—Anon.

For Monday, May 21.

By GENEVIEVE KEMBLE.

According to the astral testimonies this should prove to be a day of much success, progress and prosperity, providing the tendency to rash, impulsive and ill-governed word and deed be not indulged. Employment, new undertakings and finances are fairly well aspected and should thrive, with cool judgment.

Those whose birthday it is may enjoy a year of progress, promotion and financial success if they but avoid strife, litigation, rash speculation and turbulent acts. A child born on this day should have many talents making for success in life, but it may require early training and discipline in self-government and calmness.

Self knowledge, self reverence, self control, these three alone lead life to sovereign power.—Tennyson.

CHURCHES

"THINK OF THIS"

Romans 12:10. "In honor preferring one another."

In the room of a college youth, among the many banners and pennants that decorated the wall, was one that read: "I am willing to be third."

It was not until the year was nearly over that his roommate asked about it.

"George, I have been curious to know the meaning of that motto on the wall above the table. I might not come back next year, and I should like to know what that inscription means."

"My mother gave it to me. She said if I wanted to live a helpful life, I must be willing to put God first, others second, and myself third."

Church of Our Saviour, 227 McKinley ave., Rev. Christian A. Roth, rector.

Services Sunday, May 20—the Sunday after the Ascension; also known as Expectation Sunday.

Celebration of the Holy Communion 7:30.

Church school 9:30.

Morning prayer and sermon 11:00.

This Sunday has long been known as Waiting or Expectation Sunday. During the days between the Ascension and Whitsunday the church was waiting for: (a) The Advent of the Comforter, immediately. (b) The return of the Saviour, eventually. This return predicted at the time of His Ascension, was expected at no distant date, and such a prospect would naturally be unsettling and exciting. Because of this the Epistle 1S. Pet. iv. 7. lays particular emphasis on the need of sober good sense, and of alertness in prayer. But the essential preparation must be that of love, which veils (or leaves no room for) a multitude of sins, and shares all it is, and all it has, with others. He shows that every man has a gift of some kind, and that every man must use it to the glory of God. The thought of waiting includes for the Christian, that of witnessing. The need of witness is as urgent as ever; it is because of the mistakes of Christians that the world mistakes Christianity.

Spiritual promises are realized under earthly conditions, Heaven is less a place than a state of uplifting. We sit together in the Heavenly places with Christ, because our life is in reality bound up with His life, and we have in Him free access to the courts of Heaven.

First Presbyterian, Green and Lundy sts., Rev. P. H. Gordon, D. D. minister. D. U. Smith, Sunday school superintendent

9:45, Bible school. Self expression is the great ambition of today, but how can you express what you do not have. We invite all to put their heart and mind to school in religion. There is a class for you either to teach or to study in.

At the opening of the Bible school Mrs. W. W. Andrews, one of the delegates to the Sunday school contion at East Liverpool, will make her report.

11, morning worship, sermon subject, "What Is It To Be a Christian"

6:30, Young People's meeting. "Training for Larger Leadership." Numbers 27;15-23, leader, Evan Jenkins.

7:30, evening worship. Dr. Gordon will speak on "The Guarantee of the Gospel."

Wednesday 7:30 p. m., Church Prayer and Study Meeting. Special service.

First Baptist

9:45 Bible school, R. P. Vickers, supt.

A class for all, and following the lesson study stereoptican pictures will be shown bearing on the lesson.

This service merges into church and closes at 11:30.

Sermon theme: "A Servant-Brother."

7:30 evening service. This has proved popular with the people of Salem, because they can always be sure of a pleasant and helpful hour. They come expectant and are not disappointed. The theme this week is unusual: "Beware of Logs."

Wednesday 7:45 mid-week meeting of Bible study and interesting discussion. In connection with the service, pictures of Palestine are being shown linked with Bible events.

Friday 3:45 Juniors meet in church for songs and Bible study. The life of Christ is being presented weekly. A large number of children attend.

FIRST PHOTOS OF CHURCH MURDER PRINCIPALS

The bark of an automatic pistol in the hands of a Sunday school superintendent of the First Christian church of Munhall, Pa., threw the congregation into a panic. Philip Clark, upper right, was shot to death by Fayette J. Tyreel, lower left. Clark had accused Tyreel of breaking up his home. Tyreel was counsel for Clark's estranged wife. In the upper left is Mrs. Fayette J. Tyreel, wife of the man held for the shooting. In the center is the peaceful little village church where the tragedy occurred.
(International Newsreel)

COLUMBIANA

Members of the Kum-a-gen club were entertained Thursday evening at the home of the Misses Mary and Viola Wilhelm, near New Waterford. Mrs. Elba Wilhelm was an invited guest. A feature of the meeting was a shower for the infant son of Mrs. Harry McBride, a member of the club.

The Home Missionary society of the M. E. church met Wednesday afternoon in the church parlors. The devotionals were in charge of Mrs. C. F. Jones, and Miss Guiher of the Pearl st. mission at Youngstown gave an interesting talk on the work among the foreign-born at the school. Refreshments were served at the close of the meeting.

At the meeting of the Columbiana council this week Marshal Milton Robinson resigned his position, having accepted a position as night watchman at the Franklin Furniture Co. Failing health was given as the cause of the resignation. Council has appointed Ray Millen as street commissioner and deputy marshal and will make an appointment for marshal at their next meeting. In the future the marshal will be on night duty, the positions of street commissioner and marshal being separate ones.

There will be no Sunday evening services at any of the Columbiana churches, as a union service will be held at the High school auditorium, when Rev. C. E. Krumm, pastor of the Lutheran church, will deliver the baccalaureate sermon to the graduating classes of the local schools.

Mark Klingensmith, assistant cashier at the Union Banking company, has recently completed a four-year course of study under the direction of the American Institute of banking, through its Youngstown chapter.

Park Roninger, who has been ill for many weeks, was taken via ambulance to the Youngstown City hospital Thursday, for an examination by specialists.

Russell Royer is repairing his home on the Salem road, recently damaged by fire caused by a gasoline explosion.

Mr. and Mrs. Charles Frederick are visiting for several days with the latter's mother, at Wheeling, W. Va.

The members of the High School orchestra were entertained Wednesday evening by their director, Mrs. E. F. Miller. Contests of a musical nature were enjoyed and a delicious lunch was served by the hostess, assisted by Mrs. Jennie Mellon.

F. S. Lennig, Robert Donbar, Joe Dishong and Raymond Gleckler were in Toledo on business Wednesday for the Overland Motor Sales Co.

The Missionary society of the Presbyterian church held the May meeting Thursday afternoon at the church. The devotionals were in charge of Mrs. Anna Francis.

John Koch and Clarence Koch were in Cleveland on business Wednesday.

Ed McQuiston of Pittsburgh was a Columbiana business caller Thursday.

Mr. and Mrs. George Frye and son were Youngstown visitors Thursday afternoon.

Farmers Invited To See Research Work

Field experiments in soils and crops problems, under way at the Ohio Agricultural Experiment Station at Wooster, will be exhibited and explained to farmer visitors at the third annual "Wheat Field Week" which is announced for June 26 to 29. The program for the week includes a speaking program as well as inspections of the experiments which are under way at the station. Inspections of the experiments will take place twice daily, once in the forenoon and once in the afternoon. The speaking program will be held at 12:30 o'clock each day. Four specialists from the staff of the Ohio State university, and four successful Ohio farmers, will appear on these programs.

Some of the field operations under way, which will be displayed and explained to the visitors, are: A special experiment to determine the effects of different kinds, amounts and application methods of fertilizers in hastening the development and increasing the yield of corn; comparisons of different liming materials in different amounts and on different crops; a wheat variety test including 65 different varieties; comparison of various strains of alfalfa and fertilizer treatments for them; a series of 50 different crop rotations which have been in progress for the past 13 years.

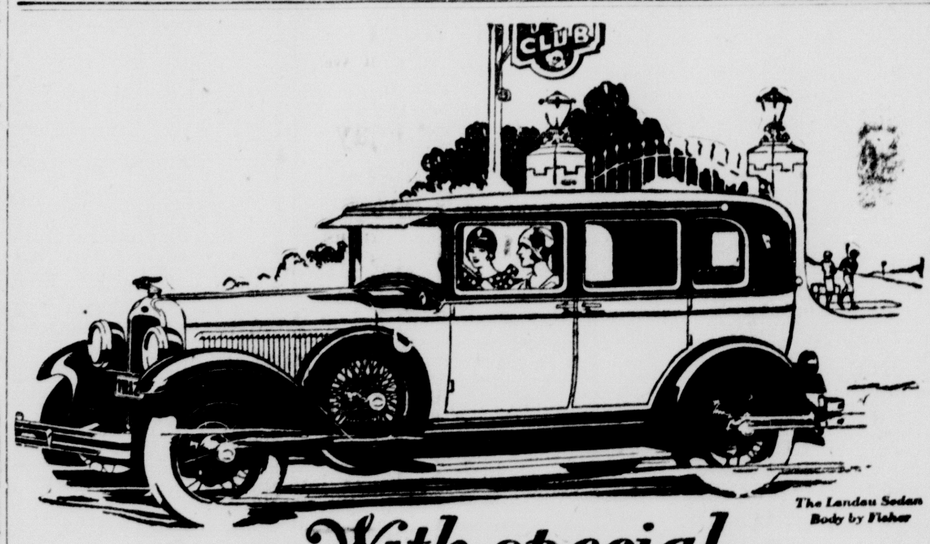

New York—Sales of art during the auction season just closed totalled $6,229,670, of which E. H. Gary's collection brought $2,300,000.

The Landau Sedan Body by Fisher

With special sport equipment, no smarter car than this

Smart as a racing craft. Long and low . . . with rakish, youthful lines. But with special sport equipment . . . it's even smarter. The peer of any car in its class.

Six wire wheels . . . their colors contrasting with body shades. Spares carried forward in special fender wells. A trunk rack behind . . . suggesting week-end journeys. All that you see and admire on America's finest custom-built cars.

There's real style, if you ever saw it. Swank . . . snap . . . personality. Reflecting the speed and drive of its engine . . . its change of pace and its wonderful handling ease.

Add to all this the charm of bodies by Fisher. The deep-cushioned comfort and luxury that Fisher bodies provide. Then you'll find the All-American Six leagues ahead of any rival. And you'll marvel again at its truly remarkable price.

Door Sedan, $1045; Landau Coupe, $1045; Sport Roadster, $1075; Phaeton, $1075; 4-Door Sedan, $1145; Cabriolet, $1155; Landau Sedan, $1265 (wire wheels, spare tires, and trunk rack extra). New Series Pontiac 6, $745 to $875. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

SIGNS WITH DENNY FOR LIFE

Bubbles Steiffel will become the bride of Reginald Denny, moving picture star, in the fall, the film favorite has announced.

SOCIETY

Girls' Wesleyan Class

W. H. Matthews gave an interesting talk on "Resources of Ohio" at a meeting of the Girls' Wesleyan class of the Methodist church Friday evening at the home of Mrs. R. E. Smucker, Broadway. Mrs. Lyle Mathews had the devotionals.

An Ohio Week program entertained and Mrs. Smucker gave a talk on "Why Ohio Week?" Short selections relating to Ohio week were read by Miss Leone Starr, Miss Inez Heisler, Miss Beatrice Maeder, Miss Blanche Fulton and Miss Eleanor McMurray.

An article about Judge Florence Allen, of Cleveland, was read by Mrs. D. J. Trewetz. An Ohio game was played.

Refreshments were served by Mrs. Smucker and her associate hostesses, Mrs. E. H. Althouse, Mrs. Charles Snyder, Miss Maeder, Miss Myrtle Windle and Mrs. F. J. Stoudt.

—o—

Mrs. Beardmore Hostess

Prizes in the bridge games went to Mrs. L. W. King, Mrs. H. H. Hickling and Mrs. J. Arch Harwood at a gathering of club associates Friday afternoon at the home of Mrs. L. D. Beardmore, Cleveland ave. Three tables were in play in the games. The hostess served a lunch.

In two weeks the members will meet with Mrs. H. P. Braman, North Lundy st.

—o—

Success Club

Fancywork and music were favored diversions at a meeting of the Success club Friday afternoon at the home of Mrs. A. T. Heim, Evans st.

At the conclusion of the social period the guests enjoyed a two-course dinner served by the hostess.

In two weeks the members will meet with Mrs. Jesse Gray, West Eighth st.

—o—

DeVol Class

Miss Vera Weaver entertained members of the DeVol class of the First Friends church Friday evening at her home, Jennings ave.

After the business of the class was transacted the time was enjoyed at games and a lunch was served.

The June meeting will be at the home of Miss Dorothy Koontz, Newgarden st.

—o—

Bachelor Girls' Club

With two tables employed, bridge was the engaging diversion at a meeting of the Bachelor Girls' club Friday evening at the home of Miss Rhea Leipper, East Fourth st. The prizes were awarded Mrs. Louis Laurain and Mrs. John Kerr. The hostess served a lunch. In two weeks the members will meet again.

—o—

Home Circle

Guessing games entertained at a meeting of the Home circle Friday afternoon at the home of Mrs. J. H. Zelley, Twelfth st.

The next meeting on June 15 will be with Mrs. Ellen Henshillwood, East Seventh st.

—o—

Fleur De Lis Club

Fleur De Lis club associates composed the guest list at a 1 o'clock luncheon given Friday by Mrs. J. B. Bushman at her home, Jennings ave.

The afternoon was spent informally in visiting.

—o—

Sunshine Society

The Sunshine society will meet Thursday, May 24, with H. B. Haifley, North Georgetown rd.

—o—

Mr. and Mrs. J. Weatherill Hutton and children, of Barnesville, are spending the weekend with her mother, Mrs. Rachel E. Cope, Winona.

Elks May Party

The annual May party of Salem lodge No. 305, B. P. O. Elks, held Friday night at the Elks home, was one of the outstanding functions of the social season.

Dancing was enjoyed from 9 p. m. until 2 p. m., Finley's Melody band playing, under the direction of Raymond Bartholomew. There was an intermission for a midnight supper in the restaurant. The supper was served at prettily decorated tables, upon which white and purple candles were burning. Floor lamps also were used in the subdued lighting effect. Both the restaurant and ballroom were decorated in white and purple, the Elks colors. After the supper favors, noise-makers and balloons were given the guests.

Miss Betty Vannan, of Struthers, entertained with Scotch dances, accompanied by her father. This entertainment was given previous to the 11 o'clock toast, which was given by Paul H. Mead, past exalted ruler.

—o—

Midnight Party

After attending the K. of P. dance Friday evening Mr. and Mrs. W. G. Paxson entertained at a midnight party at the Famous Market, where a three course dinner was served.

The guests were Dr. and Mrs. W. T. Gudgell, Prof. and Mrs. J. E. Frew, Mr. and Mrs. C. E. Cover, Mr. and Mrs. Harry Wilson, Wilbur Paxson and Miss Veva Paxson of Berlin Center; Prof. R. E. McConnell of Poland; Miss Nora Altwater of Pittsburgh and Mr. and Mrs. Ed Schuck of Salem.

—o—

Misses Nellie and Elizabeth Miller, Ellsworth ave., are spending the week end with friends in Cleveland.

Man Acquitted For Mudering Wife Is Found A Suicide

Detroit, May 19. — Dr. Frank R. Loomis, who was tried and acquitted a year ago last February of having murdered his wife, committed suicide today by taking gas in his office, according to police.

Mrs. Loomis was found clubbed to death in her home.

A note found in Dr. Loomis' office promised full explanation of his suicide would be made within 48 hours. It was dated today, May 19, and was addressed to the police department. It read:

"A newspaper article will be published in 24 or 48 hours explaining this action on my part. Please be patient until then."

Police declared that this indicated Dr. Loomis had written letters to the newspapers.

CHANG

(Continued from Page 1)

tempt to invade Manchuria, is being studied by the officials of the Nanking government. It was handed to Gen. Hwang Fu, Nationalist commissioner for foreign affairs by the Japanese consul.

While Japan has a large army massed in the Shantung peninsula, the invading Nationalist army lies between this force and the Manchurian. It is understood that Japan will send reinforcements into Manchuria.

Japan's policy of protecting Manchuria from warfare is comparable in some respects with the Monroe doctrine of the United States. Japan has spent millions of dollars building up railways, industries, mines, public utilities and steamship lines. Japan might go to the length of establishing a military sovereignty over Manchuria if Chang is beaten and the Southerners invade Manchuria.

CLEVELAND FIRE DAMAGE $100,000

Cleveland, May 19.—Fire of undetermined origin today destroyed the Progressive Laundry Co. plant here with a loss estimated at between $75,000 and $100,000, according to Fire Chief George A. Wallace.

The blaze started in the basement of the structure and quickly spread to the upper floors where valuable machinery and nearly 300 family washings were destroyed, it was said.

Eight fire companies fought the conflagration.

NOBILE READY FOR NEXT HOP

King's Bay, Spitzbergen, May 19. —Safe in its hangar after a daring 68 hour journey through fog and snow over the uncharted wastes of the arctic, the dirigible Italia was being groomed today for its next venture, a non-stop flight to the North pole and back.

Watermelons And Canteloupes Bring High Spring Price

Cleveland, May 19.—Watermelons and canteloupes made their season's debut on the market stands in Ohio today.

But seemingly outrageous prices are being asked for the luscious fruits by attaches at the market stands. Pay $1.25 and you can carry home a mellow Florida watermelon. Prices of canteloupes varied from $5.00 to $7.00 per crate. A crate contains 45 melons.

Though seemingly high the prices, market reports show, are nothing unusual for the spring of the year.

ANDOVER

(Continued from Page 1)

ican Legion band of 35 pieces playing martial airs, the president and his wife were greeted at the railroad station by Headmaster Alfred E. Stearns, Thomas Cochran, Alfred L. Ripley, James C. Sawyer and Judge Elias B. Bishop, all of the Andover board of trustees.

Others on hand to greet the presidential party were Secretary of Labor Davis, William Phillips, minister to Canada; Governor and Mrs. Alvan T. Fuller; Chief Justice Rugg of the state supreme court; Governor Huntley N. Spaulding of New Hampshire and others.

Among those here was William Lanier Washington of Westport, Conn., hereditary representative of Washington family.

Prep Schools Important

The academy, or secondary school, was hailed by President Coolidge today as one of the greatest factors in moulding the habits and thoughts of America's future generations. Delivering the principal address at the 150th anniversary celebration of Phillips academy here, he urged more attention to the elevation of the standards of such institutions. The president made a special trip from Washington to join in the ceremonies at this pioneer among American schools.

Addressing the sutdent body and alumni on the academy campus, Mr. Coolidge pointed out that the student mind is at the ideally plastic stage at the age of matriculation at a secondary school.

"It is for this reason that our secondary schools are of such great importance," he said. "When students now enter the college they are no longer of an impressionable age. Habits of thought have become fixed. The college can not altogether refashion its students. About the best it can do is to carry them on in the course they have already begun. While the needs of our universities are very great, and every effort should be made to meet them, it does not seem that sufficient emphasis has been placed on the needs of our secondary schools.

"After all, they furnish the material that goes into our higher instituitons. Their younger and more plastic students have even greater needs than those who are more mature. They ought to come under the influence of teachers of ability, character and sympathy."

Work As In Sports

The president also took occasion to direct some advice to the whole student body of the nation. He counseled them to apply to themselves in their classrooms the same standards they impose upon themselves on the baseball diamond, or in other branches of scholastic sports.

"Two great tests in mental discipline are accuracy and honesty," he observed. "It is far better to master a few subjects thoroughly than to have a mass of generalizations about many subjects. The world will have little use for those who are right only a part of the time whatever may be the standards of the classroom, practical life will require something more than 60 per cent or 70 per cent for a passing mark.

"The standards of the world are not like those set by the faculty, but more closely resemble those set by the student body themselvs. They are not at all content with a member of the musical organizations who can strike only 90 per cent of the notes."

Toledo Plant Burns

Toledo, May 19.—Damage resulting from the fire which swept the building occupied by the Automat Molding & Folding company here early this morning was estimated today at $10,000. Oil soaked floors added to the headway of the flames and firemen fought the blaze for an hour before bringing it under control. Dense smoke forced the fire fighters to return to the outer air frequently.

READ THE WANT COLUMN

TEAM WORKERS

(Continued from Page 1)

favored with two vocal selections, with piano accompaniment by Mrs. Ruth Berry.

Chairman Alan called upon team captains and a few others for brief talks. In addition to the captains, the following responded: Mrs. L. P. Metzger, C. C. Gibson, Miss Myra Erwin, Rev. B. E. Rutzky and C. G. Burton.

L. P. Metzger paid tribute to the work done by the three teams composed of women, as well as to the work of all teams. He announced that W. H. Mullins, in addition to contributing liberally to the campaign, had paid for the dinners served to the campaign workers.

It was announced that subscriptions aggregating $24,470.55 have been received. Additional subscriptions are still coming in and it is believed that a total of $25,000 will be subscribed.

The only expense to the chest of the entire campaign was the cost of printing the pledge cards, which amounted to $28.

Subscriptions

Subscriptions to the chest of $50 and over are:

$1250, Mullins Body Corporation.
$1000, W. H. Mullins.
$500, American Steel and Wire Co.
$400, Deming Company, National Sanitary Co.
$350 First National Bank, Farmers National Bank, Mr. and Mrs. H. H. Sharp.
$300 Mr. and Mrs. F. J. Emeny, Penn-Ohio Power & Light Co.
$250 Young & Brian Co., Salem Rubber Company, B. P. O. Elks, Mr. and Mrs. L. Frank Smith.
$200 Miss Judith Brooks, Salem China Co., Citizens Savings Bank, Mr. and Mrs. J. B. Garber, Brooks Estate, Mr. and Mrs. W. H. Dunn.
$150 Mr. and Mrs. L. P. Metzger, Mr. and Mrs. C. C. Gibson, Peoples Lumber Company, Electric Furnace Co.
$125 F. R. Pow, Arrow Gasoline Co., Church Budget Envelope Company.
$100 Dr. J. M. McGeorge, Dr. L. F. Derfus, Dr. and Mrs. L. W. King, Mr. and Mrs. E. G. Votaw, Mr. and Mrs. A. O. Silver, Mr. and Mrs. F. P. Mullins, D. B. McCune, O. G. Stark, Arthur Wilhelm, George S. Foltz, C. T. Brooks, W. S. Arbaugh, W. P. Carpenter, Miss Alice McMillan, Dr. Della M. Walker, Mrs. Francis A. Ellis, J. C. Boone, Dr. and Mrs. L. W. Atkinsen, Mr. and Mrs. A. H. Kennedy, Mr. and Mrs. R. S. McCulloch, Mr. and Mrs. F. H. Sebring, Jr., Andalusia Dairy Company, Salem Tool Company, Quaker City Foundry, Salem Rotary Club, Salem Quota Club, Salem Publishing Company, Ohio Bell Telephone Co., Salem Hardware Company, Home Savings & Loan Company, Vernon & Ambler, Vahey Oil Co., Reichart Furniture Co., Mullins Foremen's Club.
$75 Mr. and Mrs. R. W. Campbell, Mrs. Walter Deming.
$60 Lease Drug Co.
$50 C. S. Carr, Clyde Bryan, Dr. F. R. Crowgey, E. Greenberger, L. & J. Bloomberg, St. Paul's Church, Spring Helzwarth Company, L. H. Brush, C. G. Burton, J. A. Schwartz, H. A. Greiner, Mr. and Mrs. J. D. Paxson, Paragon Stove Co., Miss Isabel Mullins, Mr. and Mrs. John Gottschling, Harris & Co., Bryan Granite Company, Dr. G. A. Roose.

PERE MARQUETTE

(Continued from Page 1)

Marquette would operate in competition with the Pennsylvania, New York Central and, to a considerable extent, with the Baltimore & Ohio, between the Atlantic seaboard on the east and the Great Lakes and Michigan points on the west.

No Restrictions Result

"It has been argued in this and other proceedings that the great coal producing roads should be kept separate for independent operation, to the end that this basic commodity may move freely to all connections, but we are of the opinion that no restrictions on its coal distribution would result from the applicants control of the Pere Marquette."

The commission said it was unable to find that the proposal to control the Erie was "free from criticism," and maintained that the Chesapeake and Ohio had not demonstrated a necessity for control of the Erie because of lack of outlet for its coal traffic.

"It has not shown the extent of demand for its coal at points on the Erie not reached by its own lines, nor has it established the merits of the proposal to utilize the Erie's route between Marion and Chicago for a portion of its westbound business, except to the extent that the Hocking Valley and Erie would benefit thereby," the commission said.

Hit Financial Manipulation

"If this route possesses manifest advantages to the C. and O. and Erie there should be no obstacle to the making of a joint trackage agreement by them to provide for the operation proposed. Such an agreement might well assist the movement of westbound coal pending the desirable betterment of the Chicago division of the C. and O."

The commission further said that the control of the Erie by the C. & O. would tend to disrupt existing channels of traffic, and that to effect the proposed transportation alliance through the acquisition of a majority of the Erie's capital stock would involve a large additional expenditure.

"A further objection is found in the fact that it would constitute practically an allocation of an important New York-Chicago trunk line in advance of the adoption of any general plan for the formation of competitive systems in eastern territory," the commission said. "There is no exigency in the affairs of either the C. and O. or the Erie which requires action at this time."

Finally the commission said that "financial manipulation of great railroad properties as an accompaniment of acquisition or consolidation under the law should not be tolerated."

Spring Fashions

This chiffon ensemble being displayed by Ruth Taylor, movie star, strikes an interesting spring fashion note. The wrap and frock are of white gray and cerise chiffon. The sandals of silver and cerise are something new in footgear.

Man Gives Million To His Relatives

Columbus, May 19.—Nine Columbus relatives of Otto Schk, Wheeling, W. Va., packer, were given a share of $1,000,000 presented by the millionaire to his 17 nephews and nieces at his 65th birthday anniversary, celebrated in Tulsa, Okla., recently, it was revealed today.

Deputy Marshal Is Dead In Cincinnati

Columbus, May 19.—United States offices here today received notice of the death of August Stinbach, 56, deputy United States marshal at Cincinnati. Stinbach died suddenly in Cincinnati early today. He was well known in Ohio as leader of the Cincinnati north side Turner-Vein society, a German athletic organization there.

American Citizen Slain By Bandits

Mexico City, May. 19.—Harry Wilson, a United States citizen, and superintendent of the Union Oil terminal at Tampico, was killed by Mexican bandits near the Cucharas river, said a dispatch from Tampico today. The body was robbed of $1,000.

CYCLONE TEARS THRU VILLAGE

Chardon, O., May 19.—Montville, a small town near here was checking up today on the amount of damage done late yesterday when a small "cyclone" visited the community.

The front porch of the home of John Krohlick was carried over his barn, another barn was blown down, a silo was demolished and many trees were uprooted, it was said.

Goshen Grange Has 22 New Members

During the last year Goshen grange has received 22 new members and they were given a welcome at the meeting Friday evening at the hall, northwest of Salem.

Mrs. Elizabeth Pow, the master, welcomed the new members. Those who gave a response to this address were Mrs. Zoe Ingram, Howard Slagle, Mrs. Howard Slagle, Herbert Yengling, Mrs. Norman Butler and Mrs. Albert Bonsall. A lunch was served.

The third and fourth degrees were put on in full form by the degree team. Otis Rhodes, overseer, gave a short talk.

Greenford grange will give the lecture hour program at a meeting in two weeks.

Mahoning county Pomona grange will meet on Saturday, June 2, at Greenford grange for an all-day and evening session. The fifth degree will be put on in full form in the evening.

Three Are Held In Painter's Murder

Cleveland, May 19.—Three men were apprehended by police here early today and are held for questioning in connection with the death of Henry Schuster, 51, Cleveland, a painter, who was found beaten to death shortly after midnight, according to authorities on the west side.

Police declared Schuster was attacked by three men following an altercation on the street. The victime suffered a fractured skull and internal injuries, it was said.

Slayer Tries To Take His Own Life

Pittsboro, N. C., May 19.—W. H. Lawrence, wealthy Durham contractor, on trial on a charge of murdering Mrs. Annie Terry, 45, made an unsuccessful attempt today to end his life.

Jailors found him lying unconscious in his cell with his throat cut from ear to ear. A safety razor blade lay by his side.

QUESTION—"Does the Allison have a good cooling system?"
ANSWER — "Yes, indeed, and again on a newer and better principle than that used by others. Directly behind the condenser is a fan which draws every bit of air in the cabinet through the condenser. Hold a piece of paper up against the condenser and see for yourself what a strong draft is made by that fan. Now try the same experiment with any other make machine and note the difference. The Allison cooling system will take care of the refrigerator in the hottest kitchen with a minimum amount of running."

RESERVE BANK PLAYED TRUMP CARD IN WEEK

New York, May 19.—Federal Reserve bank authorities played their trump card this week in an effort to curb the frenzied speculation in industrial stocks. The rediscount rate of the Federal Reserve bank of New York was finally advanced to 4½ per cent.

From the market standpoint, the rise in time money rates to 5¼ per cent, the highest in five years, and the new $140,000,000 expansion in brokers' loans (collateral borrowing) were probably of more significance than the marking upward of the bank rate. The latter is a mechanical process controlled by a directors' board, but the rise in time rates represents a depletion of funds available for long term commercial borrowing, and the steady expansion in broker's loans is the direct result of the huge volume of public speculative buying.

The whole market reeled and reeked in mid-week as the result of a sudden profit-taking movement which converged principally in the fast-moving specialties, but gradually broadened out to the industrial and motor stocks. An extreme decline of 42 points in Curtiss Aero common stock was suggestive of the violence of the movement of prices, and a 15-point drop in Radio, with the loss of 8 points in General Motors was evidence aplenty of the spread of the selling wave.

Favorite stocks were held in such control at the opening of the market on Friday that reactions in prices were negligible. The higher bank rate is now a piece of "bad news out," and its immediate effect will be to cause money to flow to New York instead of away from the financial center.

It will require a real shortage of money to crack the speculative structure that has been built up under the skilful direction of the professionals and pools, with the participation of the broadest public clientele ever known to the big speculative district.

The commodity markets were generally steady, with cotton and wheat moving through a wider range of prices. Copper's new rise to 14½ cents a pound was the feature of the metal markets. Call loans ruled at 5½ and 6 per cent.

CHICAGO LIVESTOCK

Chicago, May 19.—Hogs—Receipts 4,000; market steady, 10c lower; top $10; bulk $9.25@9.85; heavy weight $9.25@9.85; medium weight $9.50@10; light weight $8.80@10; light lights, $7.50@$9; packing sows, $8.50@9.50; pigs, $7@8.50.

Sixth Water Valley Reunion Is Planned

The sixth annual reunion of the Water Valley-Fairview school district, No. 2, Salem township, will be held at the school grounds, Saturday, June 2. A picnic dinner will be held.

Herbert Zimmerman is president of the school association; Mrs. Lizzie John, secretary.

New York—The king of Logarithms, a German youth who can do such stunts as square a number of a dozen or more digits in a few seconds, is stumped. As yet he has been unable to multiply his fortune into a million. Samuel Isaac Krieger is willing to sell his secret formula for that amount. The formula is described as so simple a child can work it. No child or anybody else has applied.

FORGIVES WIFE IN DEATH PLOT

His wife's tears melted the heart of Fred Austin, Long Island florist, whose wife and star boarder, Arthur Bardmore, it is alleged, planned his death. Austin is shown with his wife in her cell at the Riverhead, L. I., jail. Bardmore is shown in the inset. (International Newsreel)

Obituary

MRS. LOUISA LEWIS

Mrs. Louisa Lewis, 82, widow of the late William Lewis and a daughter of the late William and Jane McCahan Orr, died at the home of her daughter, Mrs. Clyde Shilling at Berlin Center Friday morning after a six weeks' illness. Death was due to a cerebral hemorrhage.

Born at Orr's Corners, Milton township, Mrs. Lewis spent her entire life in the vicinity of Berlin Center. She was a member of the Presbyterian church at Salineville.

Surviving are three daughters and one son, Mrs. Rosa Scott of Youngstown; Mrs. Hattie Heiser of Berlin Center; Mrs. Fay Shilling of Berlin Center; Austin Lewis of Palmyra; nine grandchildren and one brother, Friend C. Orr of Newton Falls.

Funeral service at 2 p. m. will be held at the Berlin Center Lutheran church at 2 p. m. Sunday in charge of Rev. John Campbell. Interment will be made in the Eckis cemetery, Milton township.

Realty Transfer

M. S. and D. J. Hannay have sold their all modern suburban home located on Franklin Rd., to Geo. and Bessie Meek for a home. Immediate possession. Sale made by Capel & Litty. 119h

Planes Controlled By Radio In War

Paris, May 19. — Scientific engineers are perfecting radio control for craft that may enable belligents of the future to send out fleets of unmanned airplanes, dirigibles, and vessels to wreak destruction at the command of a short wireless flash, according to Monsieur A. Boutaric, professor of science at Dijon university.

Already a French engineer has sent a crewless boat on its way at a fifty-mile hour clip with a useful load of 440 pounds and it follows his slightest bidding from a distance of nine miles, Monsieur Boutaric revealed.

Monsieur Chauvau, engineer of the French Radioelectrical society, constructed the boat and the control apparatus and made the tests.

"The value of a radio-controlled craft in war was shown by the speed and brevity of guiding flash," said Professor Boutaric. "The flash manipulating the rudder lasted one-tenth of a second. With such speed it would be practically impossible for a theoretical enemy to gauge the wavelength and turn back the unmanned aggressor."

Body of Haywood Viewed By Exiles

Moscow, May 19.—The body of William D. ("Big Bill") Haywood, founder of the Industrial Workers of the World and an exile from the United States, rested in state today in a workers' club while groups of political emigres and friends passed before it.

The body will be cremated tonight and half of the ashes will be taken to Chicago to be buried beside the graves of the Haymarket riot victims in Waldheim cemetery.

ORDINANCE NO. 260320-A

An ordinance providing for the issuance of bonds of the City of Salem, for the purpose of acquiring and purchasing a triple combination pumper truck, for the use of the Fire Department of said city.

Whereas, this council has requested the City Auditor to issue her certificate as to the estimated life of the property, asset or improvement proposed to be acquired or constructed from the proceeds of the bonds hereinafter referred to, and the City Auditor has certified to this council such estimated life as exceeding five years, and has further certified the maximum maturity of such bonds as ten years.

Now, therefore, be it ordained by the Council of the City of Salem, State of Ohio:

Section 1. That it is deemed necessary to issue the bonds of the City of Salem, in the principal sum of $13,721.00 in order to provide a fund for the purpose of acquiring and purchasing a triple combination pumper truck for the use of the Fire Department, of said City, and to provide a fund for the payment of not to exceed one year's interest on said bonds. That such bonds shall be issued in one lot and that anticipatory notes shall not be issued in anticipation of the issuance of such bonds.

Section 2. That bonds of the City of Salem, shall be issued in the principal sum of $13,721.00 for the purpose aforesaid. Each of said bonds shall be in the denomination of $1,500.00, each, except bond number one which shall be of the denomination of $1,721.00, and bonds numbers three, six and ten, which shall be in the denomination of $1,000.00, and said bonds shall be dated April 1st, 1928, and shall bear interest at the rate of five per centum per annum, payable semi-annually, on the first days of April and October, of each year, until the principal sum is paid, provided, however, that if said bonds are sold bearing a different rate of interest than hereinbefore specified, such bonds shall bear such rate of interest as may be provided for in the resolution of council approving the award thereof. Said bonds shall mature as follows:

One bond on October 1st, in each of the years from 1929, to 1938, both inclusive which maturities are hereby determined to be in substantially equal annual installments.

The principal and interest of all of said bonds shall be payable at the office of the City Treasurer in the City of Salem, State of Ohio.

Section 3. That said bonds shall express upon their face the purpose for which they are issued; that they are issued in pursuance of this ordinance and shall be signed by the mayor and auditor, and sealed with the corporate seal of said city. The interest coupons attached to said bonds shall bear the facsimile signature of the city auditor. Said bonds shall bear such consecutive numbers as the city auditor shall determine.

Section 4. That for the purpose of providing the necessary funds to pay the interest on the foregoing issue of bonds, promptly when and as the same falls due, and also to provide a fund sufficient to discharge the said serial bonds at maturity, there shall be and hereby levied on all the taxable property in said City of Salem, in addition to all other taxes a direct tax annually during the period said bonds are to run in an amount sufficient to provide funds to pay interest upon said bonds as and when the same falls due and also to provide a fund for the discharge of the principal of said serial bonds at maturity, which tax shall be not less than the interest and sinking fund tax required by Section 11 of Article XII of the constitution.

Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of said years, are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from said tax levies hereby required shall be placed in a separate and distinct fund, which together with all interest collected on the same, shall be irrevocably pledged for the payment of the interest and principal of said bonds when and as the same fall due.

Section 5. That said bonds shall be first offered at par and accrued interest to the Trustees of the Sinking Fund in their official capacity, and if said trustees refuse to take any or all of said bonds, then said bonds not so taken shall be advertised for public sale and sold in the manner provided by law under the direction of the Finance Committee and the Auditor, but not for less than their par value and accrued interest; the bond sale advertisement shall state that any one desiring to do so, may present a bid or bids for such bonds based upon their bearing a different rate of interest than hereinbefore fixed, provided, however, that where a fractional interest rate is bid, such fraction shall be one-quarter of one per cent or multiples thereof; the proceeds from the sale of said bonds, except the premium and accrued interest thereon and the amount of said bonds issued for interest, shall be used for the purpose aforesaid and for no other purpose; the premium and accrued interest received from such sale and the amount of said bonds issued for interest shall be transferred to the Trustees of the Sinking Fund to be applied by them in the payment of the principal of said bonds in the manner provided by law.

Section 6. The City Auditor is hereby directed to forward a certified copy of this ordinance to the County Auditor.

Section 7. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed March 20, 1928.

H. A. GAGER,
President of Council.

Attest: F. E. GRIFFIN, Clerk.
Approved March 20, 1928.

PHIL G. HIDDLESON,
Mayor.

(Published in Salem News May 19, 26, and June 2, 1928.)

Bucyrus—Yellow letters 25 feet high, spelling Bucyrus, are to be painted on the roof of the Central High school building here, for the benefit of aviators. It is said the letters can be read at 7,000 feet.

DEFICIENCY BILL PASSED IN HOUSE IN RECORD TIME

Congress Is Step Nearer Adjournment; Senate On Tax Measure

Washington, May 19—The plans of administration leaders to adjourn the 70th congress next Saturday were a step nearer fulfillment today following the action of the house in passing the second deficiency appropriation bill in record-breaking time.

The deficiency bill, always a harbinger of adjournment, was sent to the senate and immediately referred to the appropriations committee. Administration leaders announced it would be called up in the senate early next week, thus paving the way for adjournment May 26.

Several protests against this adjournment date were voiced by friends of the Boulder dam bill, who declared the senate should be given an opportunity to vote on the measure. Administration leaders opposed a further delay however in the belief that a well organized filibuster will block any vote on the Boulder dam bill even if congress remained in session for another three weeks.

Debate For Three Weeks

The Boulder dam opposition has been felt for the last two weeks in consideration of the $228,000,000 tax reduction bill. Minor amendments, which ordinarly would be passed upon in a few hours have provoked days of debate in which the senate took no action. The tax bill itself subject of but little controversy other than the amount of reduction to be allowed, has been under debate for three weeks.

Senator Smoot (R) of Utah, after predicting daily that the bill would be enacted within another 24 hours said he was hopeful of getting the final roll call today. This would greatly enhance the prospects of adjournment next Saturday, although administration leaders were reported ready to adjourn then, even though the tax bill failed of final enactment.

The senate met an hour earlier than usual today, and Smoot declared: "I'm going to keep the senate in session until that tax bill is passed, if we have to stay here until midnight."

Senator LaFollette (R) of Wisconsin, an Insurgent leader, and Senator Simmons (D) of North Carolina, the minority finance leader, both protested against the May 26 adjournment.

Vote Tax Publicity

"I shall vote against it," said LaFollette. "I believe we should remain here until the Boulder dam bill has been voted upon by the senate. It is not fair to the opponents of that measure to postpone debate on the bill and then adjourn congress without giving the senate time to consider it."

The tax bill meanwhile was amended to include a provision revoking all secrecy about income tax returns by a vote of 27 to 19, after an all day drive by Insurgents in an effort to "dispel the cloud of secrecy that surrounds the Treasury department." Opponents of this measure, however, indicated that a reconsideration would be asked, inasmuch as about half the senate was absent when the vote was taken.

LETONIA

The parish party of St. Patrick's church was held on Wednesday evening at the home of Mr. and Mrs. Samuel Sharlette at 31 McKeefrey st. There were ten tables of cards, three of bridge and seven of euchre.

The mothers of the pupils of the Fifth and Sixth grades of the parish school entertained.

Patrick Wren and Mrs. William Kegelmyer won the first prizes in euchre. Mrs. Andrew Arnold carried home the first bridge prize while Miss Mary Silecky was awarded the consolation prize in euchre. The wallflower prize was given to Frank Dean.

Attorney DeVere F. Grappy, whose marriage to Miss Ruth DeWitt was made public a few days ago, has leased the home of Miss Anna Hephner on Somer st and with Mrs. Grappy will occupy the property as their future home.

W. S. Groner is in Cleveland this week in charge of educated saddle horses from the Wilderson stables. The horses are being shown at the Cleveland horse show which will close Saturday evening.

C. E. Dunlap, rider, and R. C. Harrold are also attending the horse show.

Mr. and Mrs. A. S. Kirkbride, who have been occupying the apartment over the W. R. Elwonger store on Columbia st, moved their household goods on Thursday to the home formerly occupied by Mrs. Anna Thrasher on Walnut st, which they will occupy as a home.

Mrs. P. V. Reynolds and Mrs. W. S. Groner were in Youngstown on Thursday and visited for the day at the home of Mr. and Mrs. W. B. Halverstadt. Mrs. Elizabeth Wright and Miss Sue Bixler.

Mrs. Susie Crawford was a Youngstown visitor on Thursday.

Mr. and Mrs. Edward Sidinger of Salem were guests of Mr. and Mrs. E. J. Dean on Thursday.

D. W. Mellinger was a Youngstown visitor on Thursday.

Mrs. Harvey Keller and Miss Mary Buzard of Columbiana were visitors here on Thursday.

Mrs. P. R. Rauch was a Lisbon visitor on Thursday.

Miss Susie Thompson was a Youngstown visitor on Thursday.

London, O.—If you think the day of the hitching post is past, guess again. The Ohio Tubular Products company has received an order for three posts of the hitching variety from a Detroit man, who said he wanted them to "hitch" his airplane to at the Ford airport in Detroit.

FIRST CAPITOL OF KANSAS STILL STANDS

At a point known as Shawnee Mission, near Kansas City, Kansas, is the two-story stone building which was the first capitol of Kansas. The lower floor was occupied by the representatives and the upper by the territorial council. Andre H. Reeder was then governor. The dates on the wall are those of the first session of the Kansas legislature, which broke up in a row over slavery. Plans are under way to restore the building for its historical value.

In the advertisement of the Globe store of Alliance in Friday's issue of The News, the address was given as Canton. The store is located in Alliance.

Water Off Monday

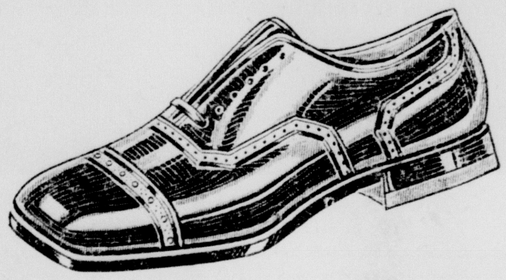

Water will be turned off from 8:30 a. m. until noon Monday on Walnut st.; Columbia st. from Broadway to Lincoln ave. and Penn st. from Columbia to Walnut st.

Bees Need Careful Watching Just Now

To the keeper of bees May is one of the most important and difficult months of the year, because the brood is being developed rapidly during this month, and it is essential that proper conditions for egg-laying and brood-rearing be maintained. Consumption of honey is very high in the hive during this month, and it is possible that a few rainy or bad days will hamper the collection of nectar so seriously that artificial food in the form of honey or syrup will have to be supplied if the colony is strengthened as it should be.

"The queen is at the peak of her egg-laying during this month," says Virgil N. Argo, extension specialist in beekeeping at the Ohio State university, "the eggs she lays now will develop into the workers which are to gather the surplus crop. The beekeeper's problem is to keep her laying at her maximum rate all during this period. He must further see that there is every opportunity for all of the eggs laid, to develop into adult bees.

"To achieve this object, two needs must be supplied at all times. The queen must have plenty of good worker comb in which to lay, and the colony must have plenty of stores of pollen and honey at all times.

What good is a budget unless it works?

You know how much money you have to spend each month. Food, heat, light, clothing, saving—but your carefully worked-out budget is no good unless you make it work as you have planned.

The one who spends the money should know how to buy. To know how requires practice and study. The best text-books in buying are the advertisements in your daily newspaper. They will tell you what you want to buy, where to buy it, the price. This knowledge will assure wise spending.

Advertisements keep you posted on the newest products and improvements of the manufacturers and merchants. They are competing for your business. Each knows that his product must be good and the price right to get the business of the wise buyer.

Advertisements are the daily gauge of business progress. They are filled with interest and instruction. Read them regularly—for wise buying will make your budget work.

❖ ❖ ❖ ❖

Read the advertisements—keep posted on what's new and best—keep up to date.

DEMAR AND RAY IN MARATHON

50,000 Will Watch Race In New York; Winner In Olympics

New York, May 19.—Upward of 50,000 spectators are expected to line the route of the second annual Long Beach marathon today between the start, at the New York Athletic club, and the finish, at the city hall, Long Beach.

A dreary, dismal drizzle, falling all day yesterday and continuing through the early morning hours today, cast an inauspicious cloud over the race for the 260 starters, among which are included the foremost long distance runners in America.

The chief prizes of the race are the six posts on the American Olympic marathon team, which will represent the United States in the Olympic games at Amsterdam.

The three outstanding favorites in the race are Clarence DeMar, national marathon champion, a 40-year-old Sunday school teacher from Melrose, Mass.; Albert "Whitey" Michelsen, veteran marathon runner and winner of many long distance grinds in the past, from Portchester, N. Y., and Joie W. Ray, most famous of all the runners in the race, who has forsaken middle distance racing for long distance runs. Ray finished third in the Boston marathon.

Among those who are also considered likely to have a chance of winning are James Henigan, of Dorchester, Mass.; J. Kenneth Mullan, of Philadelphia; Harvey Frick, of New York; Carl Linder, of Boston; William Wilson, of Philadelphia; Charles Mellor, of Chicago; Frank Zuna, of New York; Leo O. Giard, of Boston; William McK. Meyer, of Philadelphia; Joseph M. Harvey, of Philadelphia.

The distance is 26 miles and 385 yards.

TENNIS COURTS AT PARK READY

Tennis courts will be available for Salem's tennis players at Centennial park, the two courts at the park having been put into shape and completely improved by the Kiwanis club.

The courts are both double courts and excellent in every respect. Members of the Kiwanis club ask those using the courts to respect the rights of others, and alternate in their use.

It is hoped that two more courts may be built at the park next year.

CHAMP STARTS TRAINING GRIND

Gene Tunney, monarch of fisticuffs, squares off in the first day of training at his camp in Speculator, N. Y., where he is preparing to defend his title against Tom Heeney. The men will meet at the Polo Grounds in New York in July.
(International Newsreel)

CUBS GO GREAT ON OWN FIELD

Win 12th Straight But Take Road Soon; Reds Stop Dodgers

New York, May 19.—If the Chicago Cubs were a good road team, Windy City fans would be laying their last nickel right now that the Bruins cop the pennant this year. But McCarthy's men must soon leave their own park, where they have piled up 2 straight victories. They were practically unbeatable in their own bailiwick last year, but went to pieces like a jelly roll on the road.

The hitting of the Cubs is nothing to write home about. However, they are leading the league in fielding, what hits they do make are as timely as a life preserver in a steamship disaster, and their pitching is tighter than a straw hat after a cloudburst. Yesterday, Artie Nehf held Boston to five hits. The only Brave to get past first base was Rogers Hornsby, who hit a home run. Kiki Cuyler was given another chance and also clouted a homer, the Cubs winning by a score of 3 to 1.

Cincinnati put of a smashing five run rally in the eighth ruining Jumbo Elliott and beating Brooklyn 7 to 6. The Dodgers had won four straight. The Reds, who trail the Cubs by one game, took second place away from St. Louis.

Melvin Ott, John McGraw's 19-year-old prodigy, smacked two home runs and the Giants plastered the Cardinals, 10 to 6. Old Pete Alexander wasn't feeling well and left the scene early.

The punchless Phillies knocked Ray Kremer silly in the ninth, but Grimes came to the rescue and insured a 6 to 4 victory for the Pirates. Paul Waner had a perfect day at bat with three hits.

Rain held all the American League team idle.

SMITH BEATEN IN TWO GAMES IN GIRLS' LOOP

Wellesley and Vassar were the winners in games played in the High school girls indoor baseball league Thursday and Friday. Wellesley defeated Smith, 24-23. Vassar also defeating Smith, 9-7.

The Vassar-Smith game was one of the best played of the season. Vassar winning with a four-run rally in the final inning.

The second game was filled with thrills, Vassar being on the short end of the score until they came through with nine runs in the fourth inning. Smith scored 12 times in the second inning.

Staid Louisville Drops Dignity For Year's Big Event

BY DAVIS J. WALSH

Louisville, Ky., May 19.—Staid, old Louisville, almost aloof in its atmosphere of southern dignity of 364 days a year, awoke with a well bred yawn this morning, and — presto! Louisville no longer was Louisville.

It was a city that frothed and foamed and gibbered with the vulgar emotions of a big moment, a city that uttered a community bleat at the crack of dawn, leaped high in the air—and forgot to come down.

The fateful 365th day had arrived. The annual madness was on. The Kentucky Derby, great classic of the American turf, was back again for another giddy kaleidoscope to be whirled before the eyes of 70,000 sportsmen, here to bend the knee in homage before the shrine of the thoroughbred.

The day was not appropriate for knee-bending. Churchill Downs was heck deep in mud and, while early weather conditions today were disposed to be favorable, the track had reached the saturation point from recent rains and only a course in sun baths could reclaim it from its scourage of mud. But a little rain, a little mud might ruin an ordinary occasion. They proved only a circumstance in the carnival of color and gaiety that goes to make the Derby what it is and always must be.

All Classes Represented

They did irk the temporary lodgers in the park somewhat, for it must be admitted that the Derby culls its devotees from all stratas—the good and the bad, the rich and poor, blue blood and red, veteran race-goer and veriest sap, mingled in the Democratic brotherhood of the turf, kin for once in their common love of the horses.

Society wealth and official position were represented in the boxes; below, if not actually beneath them, was the riff raff.

Few Derbies, however, have been so harrassed by both threat and the fulfillment of unpleasant weather, yet even the heavy track was not to affect matters unduly, it seemed.

Both Reigh Count and Toro, the outstanding choices in the entry list of 26 colts, were presumed to be able to run their race regardless of conditions. This was supposed to apply, too, to Bobashela, Strolling Player, Distraction, Bonivan and other good horses in the field.

Most of them, in fact, were regarded as colts that could run their race in any going, which, of course, is what an entry that expects to go a mile and a quarter in a $50,000 stake race should be prepared to do.

That, anyhow, was the data on the report card of Mrs. J. D. Hertz's Reigh Count, the horse that was backed down to 4 to 1 in the winter books and which can hardly escape going to the post this afternoon as the reigning favorite.

Must Get Away Quickly

The count put over the great "convincer" last Monday when he won the Mammoth Cave in a breeze and then went the Derby distance in 2:05 2-5 without being raced.

However, only a form turn-over, such as no Derby has known in a dozen years, can bring a horse other than Reigh Count down to the pay off.

Post positions, announced yesterday, mean that Reigh Count must be gotten away quickly or he may be pinched off when he attempts his first stretch run. His spot will be No. 5, between Cartago, a fair breaker and Dowagiac, none too fast from the barrier—not a bad combination for the Count to work with. Scratches may affect the alignment.

Toro will be well placed at No. 10, between Mop Up and Jack Higgins. Strolling Player will be flanked by Petee Wrack and Typhoon, well out toward the far rail.

Blistering their withers on this structure will be Sun Beau, Distraction, Bobashela and Bonivan, which means that they will have to move out from the barrier with some degree of alacrity.

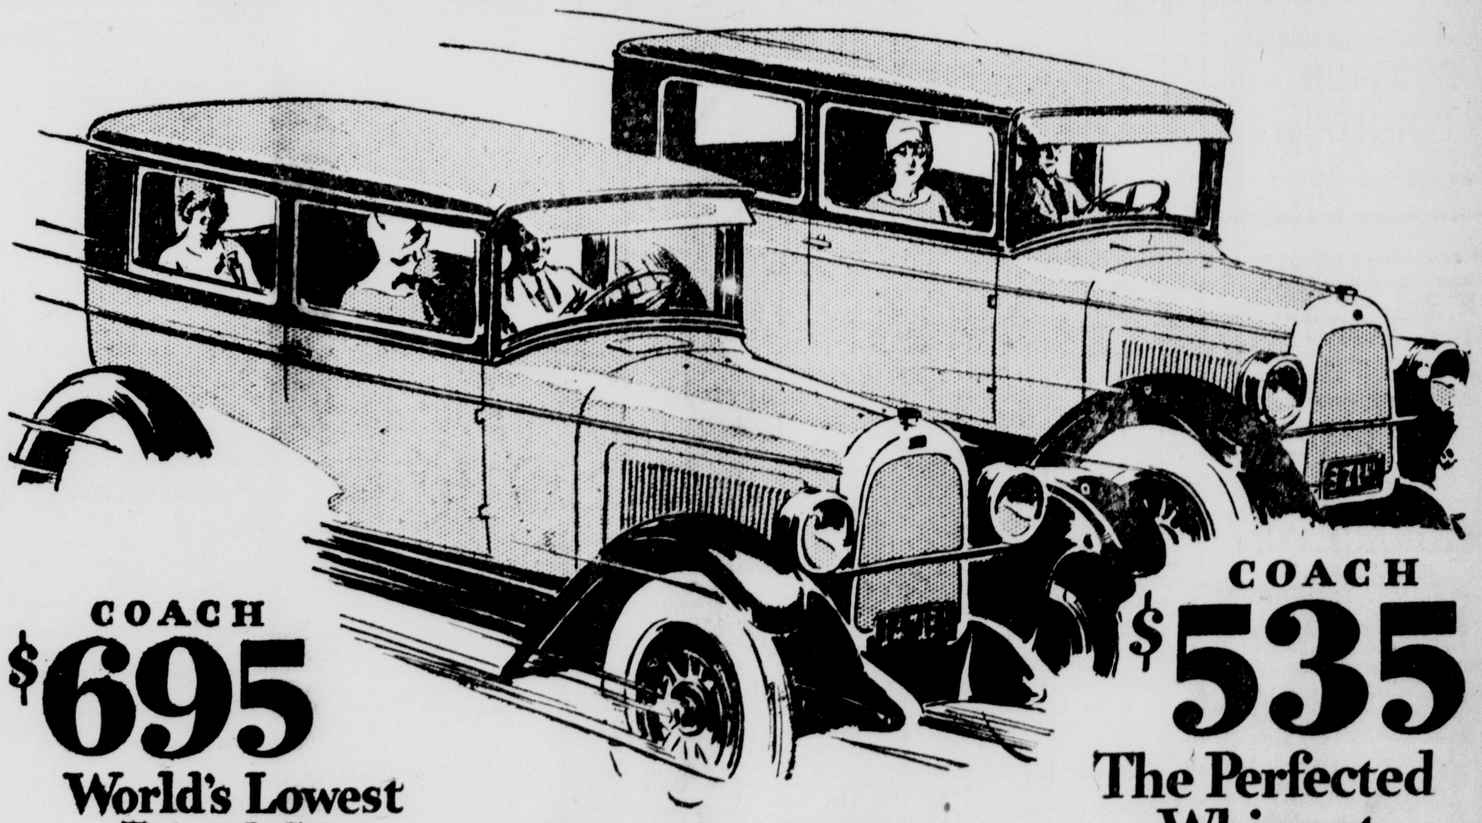

I have no doubt you are glad I've settled all of this well in advance. The officials at the Downs are stubborn, however. I understand they have decided to run the race, anyhow.

Paris — American meat has a flavor unlike that of France, Maurice Ravel, French composer, found. He doesn't like it, and thinks it ridiculous to eat candied sweet potatoes with a steak.

FREE CHINA AT STATE MONDAY; "HULA" COMING

Most every woman likes to add to her china supply, and the State theater has hit upon an easy way for women to acquire additional plates and dishes.

Starting Monday night, each woman entering the theater will be presented with a dish. This free plan will continue each Monday night for a number of weeks until complete sets are given away. By attending the theater each Monday for this period, women will obtain the complete set at no cost.

The china is made by this city's pottery, the Salem China Co., and is high grade ware. The pattern is Golden Pheasant.

Movie bills for the week are of excellent grade. "Hula" opens the week at the State, being shown Monday and Tuesday. Clara Bow, who has plenty of "it," takes the part of the pet of a Hawaiian plantation who becomes a heart-breaker and causes no end of trouble. Clive Brook has the chief male role.

Lon Chaney, always a favorite, is once more in a crook role. He takes the part of the czar of the underworld in "The Big City," a mystery melodrama of crime. Betty Compson, James Murray and Marceline Day have the other principal parts. This film is due Wednesday and Thursday.

From barbers to airmen is the jump in vocations made by Charlie Murray and George Sidney in the comedy, "Flying Romeos," which the State will exhibit Friday and Saturday. These two comics take lessons in flying, and first thing they know they are recognized as experts against their will and sent on a trans-Atlantic flight. And things certainly happen after they get going over the ocean.

War stories of a different sort are now being filmed. One of these is "Under the Black Eagle," booked for the Grand Monday and Tuesday. The plot concerns a German officer, Ralph Forbes, on the eastern front against Russia. Marceline Day is a war nurse, and Flash, the latest dog star, gets into plenty of action.

This is circus season, and Ken Maynard helps it along by his tanbark and sawdust performances in "The Wagon Show," coming Wednesday and Thursday. Ken is the leading performer of a one ring show which travels through the west. Maurice Costello, one of the real veterans of the screen, has an important part.

Zane Grey'se "Nevada," a tale of the west when men were tough and the viligantes were becoming active, appears in film form Friday and Saturday at the Grand. Gary Cooper, whose rise has been exceptionally rapid, has been entrusted with the part of Nevada, a two-gun expert.

Friday night, as is the custom, will be amateur night, and a half dozen youthful performers will display their wares.

Complete bills for the week are as follows:

STATE

Monday and Tuesday — "Hula," Clara Bow; comedy, "Scared Pink;" and Pathe News.

Wednesday and Thursday—"The Big City," Lon Chaney; comedy, "Should Women Drive?" Pathe News.

Friday and Saturday:"Flying Romeos," Charlie Murray; comedy, "Crazy To Fly;" Fables, "High Stakes."

GRAND

Monday and Tuesday—"Under the Black Eagle," Ralph Forbes; comedy, "My Kingdom for a Hearse."

Wednesday and Thursday—"The Wagon Show," Ken Maynard; Fearless, the police dog, in "Doc's Dog;" comedy, "The Tanks of the Wabash."

Friday and Saturday—"Nevada;" "On Guard" No. 6; comedy, "Follow The Leader." Friday night—Discovery Night.

TONIGHT

STATE—"Chang," the great jungle picture.

GRAND—"The Arizona Wildcat," with Tom Mix.

STYLE EDICTS

Paris, May 19.—The bustle bow is back again to join with many other "revivals" of the season. Of course it really is not the old bustle of 50 years ago, but falling draperies behind in an enormous bow or large fan of the material at the back which, expect for the fact that it is no longer awkward and cumbersome, takes one back to the days of 1870.

There is also the vevival of the tucked in blouse, a fashion which, when the jumper appeared on the horizon, fair women vowed they would never look at again. They found it untidy and uncomfortable and were certain it meant the return of the pinched-in waist and the wearing of the corset.

But it has come back, and no one has even thought of suggesting a corset and scarcely even the normal waistline. It strikes a new note especially when the skirt mounts over the blouse in a diagonal line as seen on one of Rasmus' new models. It is sufficiently old to seem quite new and fresh, but will probably be most popular with the young and slim.

Trains are another revival, mere phantoms of the great "floorsweepers" of other days, but trains just the same. Worth puts two pointed ones on a charming evening gown of old fashioned flowered silk in red, yellow and green. It has a high bodice and intricately-tiered skirt.

On the soft chiffons and tulles the train is merely a long end which touches the floor at the back or side.

THE GUMPS—LOST, STRAYED, OR STOLEN

THE HOME KITCHEN

By Jeannette Young Norton

Delicious Ways of Serving Tomatoes

Tomatoes have become a year around necessity to most cooks. When not available fresh they are always at hand canned. Among the different tomato soups try the following:

Tomato Sago Soup

Take a large can of tomatoes and add to it a quart of very light stock, broth, or water. Two slices of diced bacon, a sliced onion, a diced carrot, a little chopped celery, pepper, salt, a tablespoonful of sugar, and a bunch of sweet herbs. Cook gently for 20 minutes, strain through a fine sieve, return to the saucepan, add a tablespoonful of butter and a heaping tablespoonful of sago, cook gently until the sago is cooked clear and the soup thickened slightly. Add more seasoning to taste and serve with diced fried bread carefully drained.

Deviled Tomatoes

Slice six medium-sized firm tomatoes in quarter-inch slices. Place in a saute pan with a small tablespoonful of butter and let them cook slowly for six minutes. In another pan put two tablespoonfuls of butter, and mash in the yolks of two hard-boiled eggs, add a saltspoonful of salt, a teaspoonful of sugar, half a teaspoonful of made mustard, a half saltspoonful of red pepper, two tablespoonfuls of vinegar, and a saltspoonful of curry powder. Stir until thick and smooth, then beat in two raw eggs and stir until all is smooth. Lift the tomatoes to a hot dish and turn the sauce over them, garnishing with the whites of the hard-boiled eggs and olives.

Stuffed Tomato Salad

Scald, drain and peel the needed number of good shaped tomatoes of uniform size, then chill them. When ready to use hollow out the stem end with a sharp teaspoon and set them on lettuce leaves. Stuff with a grated onion, a half cupful of chopped celery, a half cupful of broken shrimp, a large sweet pickle cut fine, pepper, a teaspoonful of sugar, a little salt, and enough heavy mayonnaise to moisten. Fill the tomatoes then mask with mayonnaise, dust with a little paprika and put a stuffed olive on top of each.

Stuffed Baked Tomatoes

Hollow out the stem end of six large tomatoes. Drain and cut fine a can of asparagus tips, add to them a half cupful of dry crumbs, pepper, salt, a teaspoonful of sugar and enough light cream sauce to bind. Fill the tomatoes and brush over with melted butter, dust with pepper and salt, and bake in a shallow buttered pan. Bake until tender but not soft enough to collapse.

Fried Tomatoes

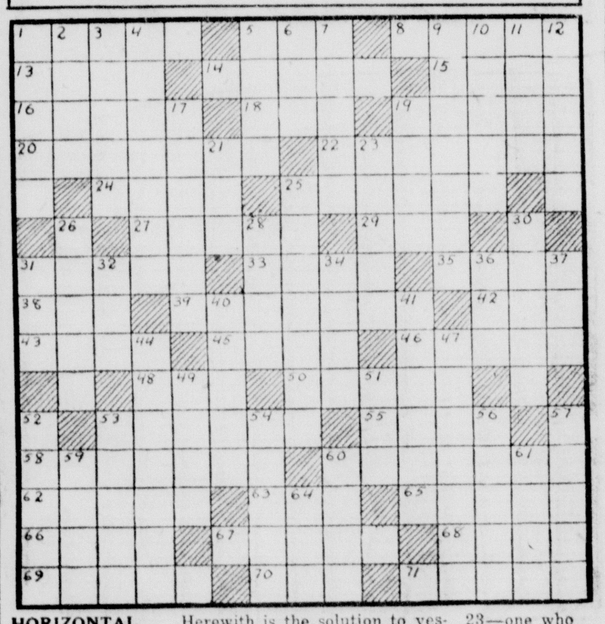

With a sharp knife cut the tomatoes in half-inch slices, dip them into beaten egg, then in to very fine seasoned crumbs nad fry in hot oil, or butter. Serve on a hot dish garnished with watercress sprays. Select very firm tomatoes for frying so that they hold their shape.

Tomato Pie

Line a deep pie plate with good short crust. Scald, drain, peel, and slice five large tomatoes in half-inch slices. Put a layer on the bottom, dust with a tablespoonful of seasoned crumbs, and the same of grated onion, pepper, salt and a little sugar, then a layer of sliced cucumbers. Dot with butter then repeat the layers until all the tomatoes are used then turn in a cupful of cream sauce and put on the top crust. Bake until the crust is done, 20 to 40 minutes. This makes an excellent luncheon dish.

Turin, Italy—Six stout Fascists of Turin are going to sea July 8 in a yawl, with Rome as their objective and their oars as their only means of locomotion. They hope to cover 1,750 miles at the rate of 62 a day in fresh water and 47 in salt. They will take a message from the prefect of Turin to Mussolini.

LOANS up to $500

Among the many benefits to be derived by using City Loan service is that which enables the borrower to quickly get the money to save his auto, his furniture, his electric appliances, even his home, when he is forced by circumstances to miss his regular payments.
In emergencies of this kind sometimes hundreds of dollars already paid are sacrificed that could easily be saved by a timely visit to our office. The fact is that in most cases of this kind our borrowing friends are agreeably surprised to find that City Loan payments are much less and terms a great deal more considerate than were provided for under their original purchase contract.

THE FINE CAR OF LOW PRICE

ALL over America it is becoming clear that Oldsmobile has done a very important thing. It has opened the fine car field to thousands once barred by price!

This new car provides quiet, smooth performance, and the flowing power of a high compression engine. It embodies the restful comfort of silenced interiors and Lovejoy hydraulic shock absorbers. The striking new bodies by Fisher excel in smartness of appearance and handsome appointments.

All these elements are offered in that perfect balance which has identified high priced cars.

And no one need pay a premium to enjoy these qualities.

Motordom was quick to recognize this fact. "Two years ahead," critics and engineers said. The public took up their praise and backed it with the sincere endorsement of enthusiastic buying.

And with Oldsmobile's brilliant performance becoming a matter of common knowledge, that public acceptance has grown and grown. It proclaims this product of General Motors as more than just a new car. It stamps it as the creation of an entirely new class of motor cars. It recognizes that in this class of cars Oldsmobile stands alone—The Fine Car of Low Price!

Only by driving the new Oldsmobile can you understand how completely it merits the enthusiastic admiration it is exciting! —why thousands are buying Oldsmobile Come take that drive today!

DAMASCUS

Mrs. Margaret Chambers and two children, Richard and Curtis, are visiting their parents, Mr. and Mrs. Oscar Patterson of Mt. Pleasant.

Miss Hazel Jackson entertained the junior class of the Damascus High school of which she is a member at her home Friday evening. The evening was spent with games and a social time and a fine lunch was served. Several invited guests were present.

Mrs. Ed Wright entertained the Ellsworth Avenue Fancywork club of Salem Thursday. A covered dish dinner was enjoyed at noon and the afternoon was spent socially and with fancywork. Mrs. Alvin Carr of New Castle, Pa., was an invited guest. There were 24 present.

The Damascus W. C. T. U. met Thursday afternoon at the home of Mrs. B. J. French. Mrs. L. E. Hobson conducted the devotionals, reading from Proverbs "The character of a true woman and mother." Eighteen members answered roll call and there were four guests present, also five children who were taken in as "child recruits" and had the white ribbon tied on as a badge. Mrs. Anna Stanley read an article telling of the origin of Mothers' day organized by Miss Anna Jarvis of Philadelphia, Pa., and later set apart by congress to be regularly observed the second Sunday of May each year. There were several poems read and Miss Mary French sang the beautiful song, "Mother Dear" all appropriate to Mothers' day. Mrs. Eli Boyle, Mrs. Belle Shreve and Mrs. Roy Shreve gave a little playlet showing the duty and privilege women of today have in both temperance and civic interests of our nation. Mrs. Hampton was received as a new member. "Blest be the tie that binds" was sung in closing. The next meeting will be held the second week in June.

WASHINGTONVILLE

At the regular meeting of the board of education on Thursday evening, the following teachers were elected for the coming year of school:

High school, Misses Mary C. Fitzsimmons and Kathryn Marquis.

Eighth grade, Viola G. Ansevin; seventh grade, Joseph Justice; sixth grade, Winifred Baker; fourth and fifth grades, Lena Hassler of Lisbon; second and third grades, Novella Johnson; first and second grades, Murnie Girard.

About 30 Pythian Sisters attended a meeting of the Greenford temple on Tuesday evening at which time a class of candidates were initiated by the Washingtonville degree staff.

The K. of P. order won out on Thursday evening at a euchre party challenged by the Pythian Sisters. The Knights won 48 points and the Sisters a score of 35 points.

Mrs. Joseph Barrow is seriously ill at her home. Her daughter, Mrs. Anderson of Chicago, is caring for her.

Mr. and Mrs. B. L. Flick and Miss Ruth Older of Salem, were callers Friday evening in the home of Miss Dorothy Woods.

J. L. Gray of Salem, was a caller here Thursday evening.

Walter Stafford and daughter have moved to Leetonia

LEGAL NOTICE

Sealed bids will be received at the office of the Fairmount Childrens' home, Alliance, Ohio, until 12 o'clock noon, Tuesday, June 5th, 1928, for the supply of coal for use at the institution for one year.

Bids must be figured per net ton on mine run coal delivered in bins at the institution.

Bids shall specify the grade vein or district from which coal is mined.

Contract shall call for an ample supply of coal to be in bin at all times.

The board of trustees reserve the right to reject any or all bids.

(Signed) R. R. BARBER, Superintendent.

(Published in Salem News May 12, and 19, 1928.)

LEGAL NOTICE

Sealed bids will be received by the Director of Public Service of the City of Salem, State of Ohio, at the office of said Director until 12 o'clock, noon, June 5th, 1928, for furnishing the necessary labor and materials, for the construction of a sewage treatment plant including the furnishing and erecting of certain equipment, the construction of plant and buildings, the unloading, handling and erecting of equipment furnished by the City of Salem, and improvement of site, according to plans and specifications on file in said office.

On or after May 18th copies of the plans, specifications and detailed drawings may be obtained at the office of the City Engineer, Salem, Ohio, upon the deposit of Thirty Dollars, ($30.00), which deposit will be refunded upon their return in good order, prior to June 7th, 1928.

Each bid must contain the full name of each person or company interested in the same and be accompanied by a bond in an amount equal to eight per centum of the proposal submitted with surety or sureties satisfactory to the Director of Public Service, which surety or sureties shall be either persons resident of Columbiana County, Ohio, or a resident or non-resident surety company authorized to do business in Ohio, or by cash or certified check on a solvent bank in an amount equal to four per centum of the proposal submitted, as a guaranty, that if the bid is accepted, a contract will be entered into and its performance properly secured. Should any bid be rejected such check or bond will be forthwith returned to the bidder, and should any bid be accepted, such check or bond will be returned upon the proper execution and securing of the contract, but shall be forfeited if said bidder fails to enter into a contract with the said City and furnish the required bond within ten days after notice of acceptance of his proposal if the award is made to said bidder.

All bids shall be made in conformity with the General Code of Ohio, on blank forms furnished by the Director of Public Service and shall be enclosed in a sealed envelope and addressed to the Director of Public Service of the City of Salem, Ohio, and indorsed, "Proposal for General Contract for a Sewage Treatment Plant and Installation of Equipment," on the outside of the envelope.

The right is reserved to reject any and all bids.

By order of the Director of Public Service.

C. A. CAVANAUGH, Director of Public Service.

(Published in Salem News May 12, 19, 26, and June 2, 1928.)

BREMEN FLIERS ARE GIVEN DODGE "VICTORY" SIXES

Tributes to the victorious Bremen fliers were climaxed in Central park, New York, with the presentation of three Dodge Brothers' Victory Six cars by the mayor's committee. The aerial heroes of the western trans-Atlantic hop, Capt. Koehl, Baron von Hunefeld and Maj. Fitzmaurice were so enthusiastic over the cars that they immediately made plans to have them sent to their native countries for their use when they return.

George Mann, treasurer of the mayor's committee, turned over the keys and licenses to the fliers, explaining that the cars were the gift of an anonymous admirer of the fliers who regarded it as fitting and proper that Victory cars should have been chosen for these victors. Mr. Mann expressed the hope that the fliers would get as much pleasure from the use of the cars as the American people got from welcoming them to this country.

The cars were a sedan in maroon and black; a brougham in green and tan and a four passenger coupe in two tones of g reen. The ceremony was witnessed by thousands of New Yorkers, and the cars were appropriately decorated in the national colors and flags of the three countries figuring in the presentation.

Corn Alone Is Not Sufficient For Pigs

Generally, corn alone will not prove a satisfactory feed for full-feeding pigs even when they are on a legume or rape pasture, according to J. W. Wuichet, animal husbandry specialist of the extension service of the Ohio State university.

Corn and tankage or corn and a mixture of two parts tankage and one part oil meal will produce more rapid gains and less feed will be required to produce 100 pounds of gain than when corn alone or corn and middlings are used.

If the pigs are on bluegrass pasture or have no forage at all, Wuichet reccommends corn supplemented by a mixture of 50 pounds of tankage, 25 pounds of oil meal, and 25 pounds of alfalfa meal or ground alfalfa.

If skim-milk is available in sufficient quantities it may be substituted for all or part of the recommended protein supplement. In general, corn, hominy, or corn and barley fed at the rate of 20 pounds to one pound of protein supplements, will prove to be the most practical combination for full-feeding pigs on pasture when both rate and economy of gain are considered.

HOMEWORTH

Miss Kathryn Humphry, daughter of Mr. and Mrs. John Humphry, of Homeworth, underwent an operation for appendicitis at the Alliance City hospital, Wednesday.

A grand social time was enjoyed in the town hall, Tuesday evening.

C. F. Unger was in Alliance, on business, Thursday.

Mrs. C. E. Gross has been very ill, suffering from gall stones.

Mrs. Clara Thomas and daughter Kathleen, were guests of Mrs. Lawrence Stump of Alliance, Thursday.

The Missionary society of the Salem and Homeworth Evangelical churches, held an all day meeting at the home of Mrs. Marguerite Borton, Wednesday.

Arthur M. Thomas of Beloit, spent Wednesday with relatives in Homeworth.

Fred Pauli has secured a position in the Transue-Williams shops in Alliance.

Mrs. Caroline Reese Schwalin, celebrated her 92nd birthday at the home of her son, John Schwalin in Alliance, Sunday. Mrs. Schwalin formerly resided at Homeworth.

Paul, the eight-year-old son of Mr. and Mrs. P. W. Freshley, who has been in the Alliance City hospital for some time is now able to sit up.

The condition of Guy Thomas who is in the Alliance City hospital, remains serious.

L. V. Smith is in Flint, Mich., on business this week.

R. M. Wernet has returned to Canton, after assisting his father-in-law, Owen Brooke, in making fence.

CASCADE AND IDORA PARKS OPEN SEASON

Today, Idora park in Youngstown opens for the season. Plans have been made by the park management for a continuous series of amusement features. A large number of attractions have been added, and improvements have been made.

Idora will feature Hy Steed and his Commodore orchestra. They originally were featured at the Strand Roof and at Hotel Commodore in New York city. Then for two years they toured the country as a musical act on the Keith vaudeville circuit. This band is coming direct to Idora park for the season, being sponsored by James G. Dimmick who also owns the Sunnybrook orchestra, long popular at Idora park.

Opening for the season Cascade park, New Castle, will bring to people of this section the recreational facilities of one of the largest and most beautiful amusement parks.

Cascade has been the objective of many people from this vicinity, both for an evening of dancing and for all-day picnic outings.

Rainbow Terrace has been remodeled and redecorated for the dancers of the 1928 season. One of the finest orchestras in this section, Morrell Starke's Terrace Garden orchestra, which comes to Cascade direct from a run in Cleveland, will play.

FRANKLIN SQUARE

Several homes are illuminated for the first time here by electricity.

Mrs. Lizzie Lytle of Youngstown, is spending a few days with relatives here.

Elwood Switzer is in the sick list.

Mr. and Mrs. Clyde Switzer of Philadelphia, are guests of their parents, Mr. and Mrs. E. L. Switzer

Mr. and Mrs. John Kircher are visiting with Pittsburgh relatives this week.

Mr. and Mrs. Andrew Smiley of Eton, Colo., were guests Tuesday of Mr. and Mrs. Harry Kauffman.

Miss Alta Leach and niece, Eleanor Fish, of Wheeling; Mrs. Maud Getz, sons Dwight, Keith and Joseph of Salem, were week end guests of Mr. and Mrs. Leach, Salem rd.

New York — Women in the big town apparently spend more than $1,000,000 a year for bobs. One barber shop chain avers in litigation that its income from women last year was $916,000.

Keep youth longer!
cleanse the system of poisons
Two of the great enemies to youth and vitality are delayed elimination and intestinal poisons. To keep yourself free from both these common difficulties will help you to stay young.
With the use of Nujol you can do it too. For Nujol absorbs body poisons and carries them off, preventing their absorption by the body. Nujol also softens the waste matter and brings about normal evacuation. It is harmless; contains no drugs or medicine. It won't cause gas or griping pains, or affect the stomach or kidneys. Every corner druggist has Nujol. Make sure you get the genuine. Look for the Nujol bottle with the label on the back that you can read right through the bottle. Don't delay, get Nujol today.

CHEVROLET

so Beautiful-
a car to be proud of wherever you go
Wherever the Bigger and Better Chevrolet is driven, it is singled out for attention and comment.
Its low-swung bodies are built by Fisher, with all the mastery in design and craftsmanship for which the Fisher name is famous. Beautifully beaded and paneled ::: stream-lined on a wheelbase of 107 inches ::: and finished in gorgeous colors of genuine, long-lasting Duco —they rival the costliest custom creations ::: not only in brilliance of execution, but in richness and completeness of appointments as well.
Truly, the Bigger and Better Chevrolet is a car to be proud of wherever you go. Visit our showroom today—and learn for yourself what a great car it is!
